UNIVERSITY Courses

UNIV 100. University Orientation. 1 Credit.
Achieves the relationship between majors in the College of Sciences and the students' career goals for students planning to major in a science. Provides an orientation to the University emphasizing the learning skills needed for Science majors.

UNIV 101. Introduction to the College of Sciences. 1 Credit.
This course serves as the common course for learning communities. Students will develop a sense of community as they attend, study, and participate in various activities and events with other students, peer mentors, faculty or advisors.

UNIV 110. Academic Success. 0 Credits.
This seminar provides resources and opportunities for students to build relationships with other sophomores and faculty and to explore individual strengths, values, skills, and interests.

UNIV 111. Sophomore Seminar. 0 Credits.
A systematic exploration of individual interests and skills and career resources. Emphasis is placed on defining goals and developing strategies to achieve goals. Career testing and individual conferences are included.

UNIV 112. Transfer Seminar. 0 Credits.
The purpose of this course is to engage students in self-reflection and workplace skill enhancement, applicable to experiences encountered as part of the LEAP, as well as in the world of work. The course will help students to develop and be able to apply skills in the areas of self-presentation, work ethic, team membership, professional communication, independence and initiative, and seeing the "Big Picture" in relation to everyday workplace issues.

UNIV 115. Learning Communities Seminar. 0 Credits.
A practical examination and application of resume and cover letter writing, job search strategies including the electronic job search, networking, interview skills, and negotiating a job offer. Topics will also include the transition to the world of work and professional development. Designed for students seeking post-graduation employment.

UNIV 120. Career Exploration. 1 Credit.
A study of selected career-related topics. Titles for specific course offerings will appear in the course schedule.

UNIV 130. Learn and Earn Advantage Program. 1 Credit.
A study of selected career-related topics. Titles for specific course offerings will appear in the course schedule.

UNIV 150. Writing for College Success. 3 Credits.
A practical examination and application of resume and cover letter writing, job search strategies including the electronic job search, networking, interview skills, and negotiating a job offer. Topics will also include the transition to the world of work and professional development. Designed for students seeking post-graduation employment.

UNIV 195. Topics in Career Management. 1 Credit.
A practical examination and application of resume and cover letter writing, job search strategies including the electronic job search, networking, interview skills, and negotiating a job offer. Topics will also include the transition to the world of work and professional development. Designed for students seeking post-graduation employment.
