

Minor

Entrepreneurship Minor

Karen Eagle, Faculty Advisor and Entrepreneurship Area Coordinator

The entrepreneurship interdisciplinary minor is intended to prepare students to solve business and social problems by creating new ventures within or outside existing organizations.

The interdisciplinary minor requires 12 credit hours of 300/400-level courses selected from at least two different disciplines with a maximum of six credits from any one discipline. For completion of the interdisciplinary minor, students must have a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of lower-level courses and prerequisite courses. At least six hours of upper-level courses must be taken through courses offered by Old Dominion University. Three credit hours may be in the major, if a major course is listed as an option for the interdisciplinary minor. As such, it will be credited toward both the major and the interdisciplinary minor.

Requirements
