Interdisciplinary Minor - The Designed World

Agnieszka Whelan, Department of Art, Coordinator

This interdisciplinary minor explores the interwoven historical, cultural, aesthetic, perceptual, and technical domains of the designed world. That virtually all aspects of the human-built world are designed is a generally accepted belief. Creative planning and critical analysis of design dynamics are emphasized within these disciplinary course subjects.

The designed world interdisciplinary minor requires 12 credit hours of 300/400-level courses selected from at least two different disciplines with a maximum of six credits from any one discipline. For completion of the interdisciplinary minor, students must have a minimum overall cumulative grade point average of 2.00 in all courses required for the minor exclusive of lower-level courses and prerequisite courses. At least six hours of 300/400 upper-level courses must be taken through courses offered by Old Dominion University. Three credit hours may be in the major, if a major course is listed as an option for the interdisciplinary minor. As such, it will be credited toward both the major and the interdisciplinary minor.

Bachelor of Arts–Art Education Major Admission

All students must apply for and be admitted into the approved art education program. Students must meet the required criteria for admission by passing the Virginia Board of Education prescribed assessments and earn the minimum required grade point averages (GPA). Application forms for admission to teacher education programs are available on the Office of Clinical Experiences website, http://odu.edu/oce, and are to be submitted to the art education program director or Art Department chair before being submitted to Office of Clinical Experiences.

Prescribed Virginia Board of Education Assessment for Admission to an Approved Teacher Education Program

Old Dominion University students seeking admission to an approved teacher education program must have submitted Praxis Core or approved alternative test of mathematics, reading, and writing (SAT or ACT).

For the most current information on the prescribed Virginia Board of Education admission assessment, visit the Office of Clinical Experiences website, http://odu.edu/orce and review the Professional Education Handbook.

Required grade point averages (GPA):

- A cumulative GPA of 2.75 is required.
- A major/content GPA of 2.75 is required – all Art courses must be passed with a grade of C or higher.
- A professional education GPA of 2.75 is required – all professional education courses must be passed with a grade of C- or higher.

Although students may enroll in a limited number of education courses, students must be admitted into the approved art education program prior to enrolling in any instructional strategies practicum education course. Students must also meet with an education advisor in the Office of Clinical Experiences.

Continuance

Students must maintain a cumulative GPA of 2.75, a major/content GPA of 2.75 and a professional education GPA of 2.75. Art courses must be passed with a grade of C or higher. The professional education core must be completed with a grade of C- or higher for continuance. A professional education GPA of 2.75 is required for continuance. Students must take and pass the Virginia Communication and Literacy Assessment (VCLA) and the Praxis Subject assessment (formerly Praxis II) art content knowledge test prior to or while enrolled in the instructional strategies course. All assessments must be passed prior to the start of the Teacher Candidate Internship Orientation session.

Background Clearance Requirement

Old Dominion University requires a background clearance check of candidates interested in many of the professional education programs. Professional education programs have several field experiences that are required for continuance and graduation from the program. The background clearance must be successfully completed prior to a field experience placement. Students will be provided a field experience placement when the background check process is completed with resolution of any issues. The process to complete the ODU clearance background check is located at: http://www.odu.edu/success/academic/teacher-education/placement/background-checks. The ODU clearance process includes the FBI fingerprint SP-24 form, the child protective service/social service check, and the sexual offender registry check. Candidates interested in the professional education programs are advised to complete this clearance process immediately upon entry into the program since the clearance process takes a minimum of eight weeks to complete. Please contact the Office of Clinical Experiences at 757-683-3348 if you have any questions.

Virginia Board of Education Prescribed Assessments for Licensure

- Virginia Communication and Literacy Assessment (VCLA) – a passing composite score of 470 is required on this reading and writing assessment.
- Praxis Subject assessment (formerly Praxis II) art content knowledge (test code 5134), passing score of 158 required

To review more information on the Virginia Board of Education prescribed assessments, visit the Office of Clinical Experiences website, http://odu.edu/orce.
Graduation

Requirements for graduation include completion of ENGL 110C, ENGL 211C or ENGL 221C or ENGL 231C, and the writing intensive (W) course in the major with a grade of C or better, completion of the Senior Assessment; a minimum cumulative 2.75 GPA in the major area and in the professional education core with no grade less than a C in the major/ content and with no grade less than a C- in the professional education core; successful completion of the Teacher Candidate Internship, and a minimum of 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours of upper-level courses in the major program from Old Dominion University.

Due to changing University requirements, national accreditation standards, and the Virginia Board of Education licensure regulations, the teacher education programs in the College of Arts and Letters are under constant revision. Any changes resulting from these factors supersede the program requirements described in this Catalog. Students are encouraged to obtain current program information from their advisors and from the Office of Clinical Experiences website at http://odu.edu/oe.

Four-Year Plan - Studio Art - BA
(http://catalog.odu.edu/undergraduate/collegeofartsletters/art/studioart-ba-fouryearplan)

This is a suggested curriculum plan to complete this degree program in four years. Please consult information in this Catalog, Degree Works, and your academic advisor for more specific information on course requirements for this degree.

Minor in Studio Arts
A student who chooses to complete a minor in studio arts must receive the approval of the chief departmental advisor. A total of 12 hours in studio art 300- and 400-level courses is required. These courses have prerequisites that must be met by lower-level studio art courses chosen as electives. Normally the total number of prerequisite electives should not exceed nine hours. Students who choose a minor in studio arts should consult with the chief departmental advisor before their sophomore year to determine the specific course prerequisites that must be met to complete the minor. There are no specific minors in concentration areas such as painting, photo and print media, and graphic design. However, course selection will be done on an individual basis and may be focused upon a specific area of interest.

For completion of the minor a student must have a minimum overall cumulative grade point average of 2.00 and no grade lower than a C in all courses required for the minor exclusive of prerequisite courses. Transfer students must complete a minimum of six credit hours in ARTS 300- and 400-level courses through courses offered by Old Dominion University.

Bachelor of Fine Arts
Admission
The Bachelor of Fine Arts (B.F.A.) is a professional degree that focuses on intensive work in the following visual arts majors: 3D Media and Material Studies, Painting and Drawing, and Photography and Print Media. The B.F.A. does not have a freshman entrance portfolio review for admission. Students who are pursuing the B.F.A. degree must consult with the Art Department’s Chief Departmental Advisor before or during their first semester at ODU. Students are expected to begin their art studio foundations coursework in their first year of study.

Continuance
Students seeking continuance into any of the B.F.A. majors must first successfully complete the art studio foundations coursework with a minimum grade of C. Students must then submit a portfolio of their work for evaluation by faculty within the major. After successfully completing the portfolio review, students will continue upper-level coursework in the major.

Four-Year Plan - 3D Media and Material Studies - BFA (http://catalog.odu.edu/undergraduate/collegeofartsletters/art/3dmedia-bfa-fouryearplan)

This is a suggested curriculum plan to complete this degree program in four years. Please consult information in this Catalog, Degree Works, and your academic advisor for more specific information on course requirements for this degree.

Painting and Drawing Major

The Painting and Drawing program supports the investigation of various methods, forms and histories of painting and drawing in addition to the spaces these modes occupy in the contemporary sphere. Students begin their studies with a thorough grounding in the skills required to successfully engage the traditions and contemporary practices of painting and drawing. Initial coursework provides students strong technical, perceptual and visualization skills through a comprehensive and rigorous Foundations and Studio Core curriculum, gaining material handling competencies of both painting and drawing media. Intermediate coursework includes a review and expansion of these competencies with exploration into the expressive potential of painting and drawing through thematically-driven projects. Advanced coursework provides students the tools to develop individual bodies of work exploring individualized preferred concepts, subject matter, techniques, and media.

Painting and Drawing students are recognized as artists and are treated as such; their individual voices are vital to the learning experience cultivated within the program. Painting and Drawing students generate artworks that position them for success in today’s competitive market. At the conclusion of their studies, painting and drawing students are capable of creating works of personal pursuit that display an understanding of the historical and contemporary contexts of art making. Additionally, students will have obtained a high level of technical facility, knowledge of professional practice standards, as well as an appreciation for the limitless possibilities of their creativity and the multitude of tools at their disposal.

The program includes a digital print lab for various printmaking techniques, including letterpress, screenprint, lithography, relief, and intaglio printmaking. The print area is equipped with the latest software. Additionally, the photo area contains a darkroom, lighting, and a state-of-the-art computer lab dedicated to photo students and supplied with the latest technologies.

Classes take place in the department’s brand-new art building equipped with 2D seminar, art history, art criticism, research methods in art history, modern architecture, advanced print lab, and general workroom. The print area is equipped for letterpress, screenprint, lithography, relief, and intaglio printmaking, in addition to a digital print lab.

Photography and Print Media Major

Photography and Print Media Major is a unique combination of reproducible media and concept-driven art practice. This pairing provides students with the ability to experiment across disciplines or to concentrate mainly in photography or print media. Each student will develop an individual program of courses that meets their interests.

In photography, students will gain a broad understanding of contemporary photography and its applications in today’s world. From digital to analog, students will become well-versed in technique as well as contemporary theory. Classes focus on darkroom, digital editing and studio lighting along with learning how to develop their own unique voice as a photographer and artist.

In print media, students have the opportunity to learn a wide range of print techniques and strategies. Every major image reproduction technology, from woodblock printing to large-format inkjet prints, is available to students. Print technique, history, and theory are brought together in guiding students’ creative work and artistic development.

Classes take place in the department’s brand-new art building equipped with a state-of-the-art computer lab dedicated to photo students and supplied with the latest software. In addition, the photo area contains a darkroom, lighting studio, advanced print lab and general workroom. The print area is equipped for letterpress, screenprint, lithography, relief, and intaglio printmaking, in addition to a digital print lab.

At the end of the program students will take a yearlong seminar dedicated to developing a provocative senior project that will culminate in the senior exhibition at the Baron and Ellin Gordon Art Galleries.

Students must maintain a cumulative GPA of 2.75, a major/content GPA of 2.75 and a professional education GPA of 2.75. Art courses must be passed with a grade of C or higher. The professional education core must be completed with a grade of C- or higher for continuance. A professional education GPA of 2.75 is required for continuance. Students must take and pass the Virginia Communication and Literacy Assessment (VCLA) and the Praxis Subject assessment (formerly Praxis II) art content knowledge test prior to or while enrolled in the instructional strategies course. All assessments must be passed prior to the start of the Teacher Candidate Internship Orientation session.

Background Clearance Requirement

Old Dominion University requires a background clearance check of candidates interested in many of the professional education programs. Professional education programs have several field experiences that are required for continuance and graduation from the program. The background clearance must be successfully completed prior to field experience placement. Candidates will be provided a field experience placement when the background check process is completed with resolution of any issues. The process to complete the ODU clearance background check is located at: http://www.odu.edu/success/academic/teacher-education/placement/background-checks. The ODU clearance process includes: an FBI fingerprint, a child protective service/social service review, and a Virginia State Police sex offender registry review. Candidates interested in the professional education programs are advised to complete this clearance process immediately upon entry into the program since the clearance process takes a minimum of eight weeks to complete.

Virginia Board of Education Prescribed Assessments:

• Virginia Communication and Literacy Assessment (VCLA) – a passing composite score of 470 is required on this reading and writing assessment.
• PRAXIS Subject assessment (formerly PRAXIS II) art content knowledge (test code 5132), passing score of 158 required

To review more information on the Virginia Board of Education prescribed assessments, visit the Teacher Education Services website, www.odu.edu/tes.

Graduation

Requirements for graduation include completion of ENGL 110C, ENGL 211C or ENGL 221C or ENGL 231C, and the writing intensive (W) course in the major with a grade of C or better; completion of the Senior Assessment; a minimum cumulative 2.75 GPA in the major area and in the professional education core with no grade less than a C in the major/content and with no grade less than a C- in the professional education core; successful completion of the Teacher Candidate Internship, and a minimum of 143 credit hours, which must include both a minimum of 36 credit hours overall and 12 credit hours of upper-level courses in the major program from Old Dominion University.

In addition to the requirements for the B.F.A. degree, students must complete 33 hours of professional education requirements for K-12 licensure. These are ARTS 305, ARTS 406, ARTS 407, ARTS 408; SPED 313, SPED 406; TLED 301, TLED 408 and TLED 485 (student teaching). The professional core is used to satisfy the Upper Division General Education requirement.

Due to changing University requirements, national accreditation standards, and the Virginia Board of Education licensure regulations, the teacher education programs in the College of Arts and Letters are under constant revision. Any changes resulting from these factors supersede the program requirements described in this Catalog. Students are encouraged to obtain current program information from their advisors and from the Teacher Education Services website at www.odu.edu/tes.

Bachelor of Fine Arts in Graphic Design*

The B.F.A. in Graphic Design is a professional degree program providing a sequenced curriculum structured to prepare students for successful transition to professional practice designing communications for a wide range of traditional and digital delivery. Graduating portfolios represent a rich experience in print design, branding, packaging, interactive media, advertising, typography, and image making. Students graduating from the
program pursue careers in graphic design studios and advertising agencies throughout the country, or continue their education in M.F.A. programs.

The program provides a solid foundation of traditional art experiences and design practices and principles to build students’ ability to create dynamic visual designs. The core graphic design curriculum stresses essential competencies in conceptual problem solving, research, analysis and articulation, aesthetics, design theory, productivity, and the application of technology, necessary for both advanced exploration and entry into professional practice.

All graphic design students can expect a creative environment built upon the experience of a faculty of practicing designers and design educators. Limited enrollment and class sizes ensure an intense and individualized course of study. The department’s dedicated state-of-the-art facilities include classroom and production spaces built and equipped to facilitate instruction and invention with traditional and digital media. The program strongly encourages and supports critical interaction with the design community through internships, professional memberships, and participation in design competitions.

*Pending approval by the State Council of Higher Education for Virginia and the National Association of Schools of Art and Design (NASAD).

Admission Requirements
The B.F.A. in Graphic Design does not have a freshman entrance portfolio review for admission. Students who are pursuing the B.F.A. in Graphic Design degree must consult with the Chief Departmental Advisor before or during their first semester at ODU. Students are expected to begin their art studio foundations coursework in their first year of study.

Graphic Design Continuance Review Requirements
Intended students in the graphic design program are expected to successfully complete the required art studio foundations coursework during the first year of study. In their second year, intended students will begin the required sequence of courses in the graphic design program. Prior to students’ application for admission into the B.F.A. in Graphic Design degree program, they must first successfully complete required foundational art studio and graphic design coursework with a minimum grade of C. Students must register for and pass GDES 370—Graphic Design Continuance Review—in order to be admitted into the program. In the course, students will submit a portfolio of work (consisting of two pieces from ARTS 202, two pieces from ARTS 231, two pieces from ARTS 279 and a total of six pieces from GDES 280 and GDES 365, and a 500-word essay; they must also complete a test-of-skills exam. Completion of the foundational art studio and graphic design courses does not guarantee acceptance into the program. Due to the sequence of the required graphic design courses, accepted students are admitted to the program only in the fall semester.

Transfer students must demonstrate equivalent preparation at another institution to receive credit for the art studio foundations courses. In order to receive credit for GDES 280, transfer students must submit a portfolio of work from an equivalent course for review by the graphic design faculty. Upon successful completion of foundational art studio and graphic design coursework, transfer students must register for and pass GDES 370 for admission into the graphic design program.

Graphic Design Program Requirements
Details concerning the portfolio submission and review process are available on the ODU Graphic Design website page. Students who are accepted into the graphic design program must purchase a Macintosh laptop computer and current design software. Specifications for the laptop and software can be obtained from the full-time graphic design faculty or the website. Continuance in the graphic design program requires a grade of C or better in all prerequisite courses and requirements in the graphic design sequence.

Graphic Design Senior Exit Review Requirements
Graphic design students enrolled in GDES 491 must present their graduating portfolio or thesis project at the Graphic Design Senior Exit Review, which occurs at the end of the Spring semester.

Graduation
Requirements for graduation include completion of a minimum of 120 credit hours to include a minimum of 30 credit hours overall and 12 credit hours of upper-level courses in the major program from Old Dominion University, completion of ENGL 110C, ENGL 211C or ENGL 221C or ENGL 231C, and the writing intensive (W) course in the major with a grade of C or better, completion of the Senior Assessment, and a minimum grade point average of 2.00 with a grade of C or better in all courses required for the major, including prerequisite courses.
