1. Achieved a minimum Graduate Management Admission Test (GMAT) score of 550
2. Completed all lower-level general education requirements
3. Completed at least 24 credit hours at ODU with a GPA of at least 3.0
Students who have done exceptionally well in their undergraduate work may qualify for a GMAT waiver. These candidates will have:

1. Completed all lower-level general education requirements
2. Completed at least 24 credit hours at ODU with a cumulative GPA of at least 3.5
3. Achieved junior standing

Admissions Procedure
Students interested in the early-entry program should complete the GMAT at least two semesters prior to the semester in which they wish to enroll. Applications to the MBA program should be submitted online following published deadlines in order to begin coursework in the desired semester. When completing the application for admission, students need to select an official admission date that is the semester immediately following their anticipated undergraduate graduation.

Students interested in the program should contact the MBA Program Office as early as possible to discuss their plans for early entry. Once admitted to the program, the MBA program manager will act as the student’s co-advisor, along with the chief departmental advisor or chief discipline advisor in the student's undergraduate major. The MBA Program Office is located in 1026 Constant Hall. The phone number is 757-683-3585 and email is mbainfo@odu.edu.

Requirements for the M.B.A.
Admitted students may begin to complete courses from the MBA pre-core and/or core as soon as three semesters prior to anticipated undergraduate graduation. Twelve graduate credit hours can count toward the undergraduate degree and can meet upper-level General Education requirements. Students will work closely with their undergraduate advisor to confirm what MBA coursework can be used for the fulfillment of their undergraduate degree requirements.

The entire program for a general MBA is 45 credit hours for non-business majors. Courses will be available online and on main campus except for the pre-core, which is only offered online. Those students required to complete the pre-core must complete all pre-core requirements before being allowed to progress to any core courses.

Students must satisfactorily complete:

* Each core course is offered once per academic year in a specific semester both online and on-campus to maximize opportunity for degree completion, subject to sufficient demand.

Graduate Writing Proficiency
Students in the MBA program are required to meet the Old Dominion University writing requirement. This can be achieved in one of two ways: (1) earn a raw score of 4.5 or above on the Analytical Writing portion of the GMAT/GRE or (2) successfully complete MBA 621: Effective Business Writing.

Continuance Policy
To remain in good academic standing after admission to the program, students must maintain a minimum cumulative grade point average of 3.0 in all graduate coursework attempted at the University. Students who fall below this minimum standard will have 12 credit hours to remedy this deficiency.

Further, students may be removed from the program when they earn (1) a grade of C or lower in two courses in the pre-core, or (2) a grade of C or lower in two courses in the core and elective coursework, or (3) a failing grade (F) in any course.

B.S. to M.P.A. (Master of Public Administration) Linked Program
The linked B.S./M.P.A. program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the M.P.A. program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the M.P.A. program, taking M.P.A. courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Admission Requirements
A potential candidate will have:

1. Completed all lower level general education requirements
2. Achieved a cumulative GPA of at least 3.0 at the end of the junior year

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog. For additional information, please contact the School of Public Service in the Strome College of Business.
