Bachelor of Science in Business Administration - Maritime and Supply Chain Management Major

Ling "Lynn" Li, Chair and Area Coordinator
Sara Russell-Riggs, Chief Discipline Advisor

The maritime and supply chain management major is designed to provide students with an integrated working knowledge of maritime operations and supply chain management. It is the only undergraduate major of its kind east of the Mississippi River and graduates will be able to meet the needs of regional, national and international shipping, transportation and distribution industries. Students may choose either the maritime management concentration or supply chain management concentration.
