Bachelor of Science in Business Administration (BSBA)

Strome College of Business (SCB) Center for Undergraduate Advising and Student Success

The mission of this office is to challenge and support students in self-exploration and, through advising, provide resources for them to develop an achievable plan for success. Our vision is for students to be aware of their academic, personal, and professional goals; empowered to pursue them; and confident in their ability to accomplish them.

Our professional advisors work with all freshmen, new transfer students, or students changing majors regarding admission, continuance, and graduation requirements and required curricula for the majors and minors offered by the College. Additionally, the office serves all Strome College of Business students as a satellite of Career Development Services, assisting students with internships and job placement.

Additionally, the Center assists students with information and access to supplemental success programs and tools such as peer tutoring, mentoring, and the Tanner Business Fellows.

Eligibility to Enroll in Upper-Level (300/400-level) Business Courses

Only students who have officially completed Step 1 Admission to the BSBA program (see below) will be eligible to enroll in upper-level (300/400) business courses (refer to exceptions for non-business majors). However, students who have completed Step 1 Admission but not Step 2 Admission to the BSBA program (see below) are limited to completing a maximum of 18 credit hours of upper-level business courses. Note: These students will need a Program Restriction Waiver (PRW) to enroll in any 300/400 level business or economics course, with the exception of FIN 323, MGMT 325, MKTG 311, and OPM 303. Intended Business majors do not need a PRW to enroll in those four courses. However, there may be class standing and/or prerequisite requirements. Forms to request a PRW to enable enrollment in other 300/400 level business or economics courses before completion of Step 2 admission are available on the Strome College of Business website.

Students with extenuating circumstances may petition the Associate Dean for Undergraduate Programs in the Strome College of Business in writing for a one-time, one-semester waiver of the 18 hour limitation on enrollment in 300/400-level business courses without Step 2 Admission to the BSBA degree program.

Enrollment in 300/400-level Business Courses by Non-Business Majors

Enrollment in 300/400-level business courses will be granted without Step 1 Admission or Step 2 Admission to the bachelor's degree program in business administration for the following exceptions:

1. Students pursuing a declared minor in the Strome College of Business may enroll in 300/400-level business courses appropriate to the minor.
2. Students pursuing Upper-Division General Education Requirement Option B: Interdisciplinary Minor or Option D: Six hours of elective upper-division courses outside the student's major discipline or college.
3. Students wishing to satisfy the Impact of Technology requirement may enroll in IT 360T.
4. Students pursuing a degree program other than the Bachelor of Science in Business Administration (BSBA) that requires or accepts specific 300/400-level business courses to complete the degree may enroll in the courses appropriate to the major.

5. Non-degree-seeking students may enroll in 300/400-level business courses if they have satisfied the prerequisites for these courses.

Students in categories 1 - 5 above who do not have a declared major will need a Program Restriction Waiver (PRW) in order to enroll in any 300/400 level Strome College of Business course (including Economics courses). Forms to request a PRW are available at the Strome College of Business website.

Admission to the Undergraduate Program in Business Administration

General Requirements

Applicants for admission to the undergraduate degree program in business administration (the Bachelor of Science in Business Administration) should apply initially to the Office of Admissions of Old Dominion University. Students cannot be accepted into business administration without first being admitted to the University. Admission to the University does not guarantee admission to the Bachelor of Science in Business Administration (BSBA) program. Candidates for admission to the BSBA program should indicate on the application to the University their intention to enter the undergraduate business administration degree program.

Admission to the BSBA degree program is a two-step process. Students must first successfully complete Step 1 Admission requirements (described below), and be certified as having done so, before undertaking the requirements for Step 2 Admission to the BSBA degree program (described below).

All candidates for admission to the undergraduate business administration program should contact the Strome College of Business directly for an Application for Step 1 Admission or an Application for Step 2 Admission to the program. Applications are available on the Strome College of Business's website, in all of its department offices, and in the College's Undergraduate Advising office. Normally, students should apply for Step 1 Admission in their sophomore year. The Strome College of Business will notify students of the Step 1 Admission decision. Students should normally apply for Step 2 Admission in their junior year. The Strome College of Business will notify students of the Step 2 Admission decision. Students will remain 'Intended' business majors until their Step 2 application has been approved.

Admission to the Bachelor's Degree Program in Business Administration: Step 1

Before Step 1 Admission to the bachelor's degree program in business administration can be granted, a student must have earned a grade of C or higher in each of the business Step 1 Admission courses:

- BUSN 110 Introduction to Contemporary Business
- ENGL 110C English Composition
- MATH 162M Precalculus I
- ACCT 201 Principles of Financial Accounting
- ECON 202S Principles of Microeconomics

BUSN 110 is not required for students pursuing the IT major or for any student with an associate's degree in business administration or with a prior bachelor's degree in business administration. Students may utilize the Grade Forgiveness Policy for the business Step 1 Admission courses.

Transfer students may complete business Step 1 Admission courses BUSN 110, ENGL 110C, MATH 162M, ACCT 201, and ECON 202S at another accredited college or university, but are responsible for having Transfer Evaluation Services determine that the courses are acceptable to the University. Transfer students with associate's degrees from Virginia community colleges that have articulated transfer agreements with ODU that do not require taking ENGL 110C must substitute ENGL 221C (or ENGL 211C or ENGL 231C) for ENGL 110C in the list of business Step 1 Admission courses. All transfer students must have a transfer student evaluation completed by Transfer Evaluation Services to be used as documentation that the transfer courses are acceptable.
In addition to completing the business Step 1 Admission courses, students must have their resumes approved by Career Development Services prior to submitting an application for Step 1 admission.

Waiver of Eligibility Requirements to Enroll in Upper-Level Business Courses for Students Pursuing Step 1 Admission

Students with extenuating circumstances may petition the Associate Dean for Undergraduate Programs in the Strome College of Business (Room 2004 Constant Hall) in writing for a one-time, one-semester waiver of the restriction on enrollment in upper-level (300/400) business courses without Step 1 Admission to the bachelor's degree program in business administration. Waivers will be granted under the following conditions:

1. The waiver has not been granted previously.
2. The student must have successfully completed at least 42 credit hours applicable to the BSBA degree program.
3. During the semester for which the waiver is granted, the student must enroll in all remaining business Step 1 Admission courses whose successful completion with a grade of C or better would allow normal Step 1 Admission to the bachelor's degree program in business administration.

Appealing a Denial of Step 1 Admission to the Undergraduate Business Administration Program

Students who do not achieve a grade of C or higher in the business Step 1 Admission courses BUSN 110, ENGL 110C, MATH 162M, ACCT 201, and ECON 202S after utilizing the Grade Forgiveness Policy may appeal in writing to the Associate Dean for Undergraduate Programs in the Strome College of Business documenting the reasons why the student should be granted Step 1 Admission to the bachelor's degree program in business administration. The Associate Dean will review the student's other coursework to determine if the student has maintained an overall 2.00 grade point average in at least 25 semester hours or 42 quarter hours from Old Dominion University, which must include at least six hours of upper-level business course with the exception of FIN 323, MGMT 325, MKTG 311, and OPMT 303. Forms to request a PRW are available on the College's website. Non-receipt of the e-mail messages by a student will not be considered grounds for granting exceptions or delays in enforcement of the BSBA continuance regulations.

Admission to the Bachelor's Degree Program in Business Administration: Step 2

Students must first successfully complete Step 1 before undertaking the requirements for Step 2 Admission to the bachelor's degree program in business administration. Students must apply for Step 2 Admission to the program no later than the end of the semester in which they complete the following requirements:

1. Earn an overall cumulative grade point average of at least 2.00 in all courses taken through Old Dominion University.
2. Complete at least 12 hours of upper-level (300/400) courses through Old Dominion University, which must include at least six hours of upper-level business courses from the Strome College of Business's BSBA Core coursework. Note: students pursuing Step 2 admission will need a Program Restriction Waiver (PRW) to enroll in any 300/400 level business course with the exception of FIN 323, MGMT 325, MKTG 311, and OPMT 303. Forms to request a PRW are available on the College's website.
3. Earn a 2.00 cumulative grade point average or higher in all upper-level courses taken through Old Dominion University.
4. Earn a 2.00 cumulative GPA or higher in all BSBA Core courses taken through Old Dominion University.

Students not meeting these requirements may refer to the appeal procedures below.

Appealing a Denial of Step 2 Admission to the Bachelor's Degree Program in Business Administration

Students who do not fulfill the requirements for Step 2 Admission, but who have at least a 2.00 cumulative grade point average in all of the business courses taken in the Strome College of Business, may appeal in writing to the Associate Dean for Undergraduate Programs in the Strome College of Business. The appeal must document the reasons why the student should be granted Step 2 Admission to the bachelor's degree program in business administration. In this case, the regular Step 2 Admission requirements may, at the discretion of the Associate Dean, be waived.

Fast Track Admission to the Bachelor's Degree Program in Business Administration

Students who complete the five courses required for Step 1 of the BSBA admission process (see above) with a grade of B or higher in all five and have a cumulative GPA of 3.0 or higher are eligible for Fast Track Admission. Fast Track Admission allows the student to become fully admitted to the BSBA degree program and move from an Intended to a Declared major at the time their Step 1 application is processed. Students transferring in any of the Step 1 courses are eligible for Fast Track Admission after completing at least 12 credits of course work at ODU if they present an unofficial transcript showing earned grades of B or higher in the Step 1 courses transferred to ODU, and have a cumulative GPA of 3.0 or higher at all prior institutions and at ODU.

Regulations for Continuance in the Bachelor of Science in Business Administration

In addition to the Old Dominion University continuance policies, the following policies are specific to all declared Bachelor of Science in Business Administration (BSBA) students. The Strome College of Business makes a reasonable effort to notify undergraduate students who are not in good academic standing in the BSBA program of their academic status. Each undergraduate student who is placed on BSBA Academic Alarm or BSBA Termination (explained below) will be sent an e-mail message to that effect at the student's Old Dominion University e-mail address, in accordance with the E Mail Policy for Official University Communication. Non-receipt of the e-mail messages by a student will not be considered grounds for granting exceptions or delays in enforcement of the BSBA continuance regulations.

BSBA Continuance Regulations

At the end of each semester—fall, spring, and summer—the Strome College of Business reviews the records of all students who do not maintain at least a 2.00 cumulative grade-point average (GPA) in the BSBA Core coursework and acts according to the following policies:

1. BSBA Academic Alarm. A student will be placed on BSBA Academic Alarm when the student's cumulative GPA in the BSBA Core falls below 2.00 at the end of a semester, including summer terms. Consistent with the University continuance policy, a student on BSBA Academic Alarm may not enroll in more than 14 credit hours in fall and spring semesters, no more than six credits in the summer terms, and no more than one course in any single summer term. The enrollment limit may be waived under extenuating circumstances and with the permission of the Associate Dean for Undergraduate Programs in the Strome College of Business.

A student on Academic Alarm must achieve a cumulative GPA in the BSBA Core of at least 2.00 at the end of the next semester of attendance to return to good BSBA academic standing. The student will continue on Academic Alarm each semester if the cumulative GPA in the BSBA Core remains below 2.00, but the semester GPA in the BSBA Core is 2.00 or above. Failure to achieve a semester GPA in the BSBA Core of at least 2.00 will result in termination from the BSBA program.

While on BSBA Academic Alarm, it is the student's responsibility to contact the College's Undergraduate Advising Office by email (businessadvising@odu.edu) in the first month of each semester to maintain registration in the course.
discuss the student's plan to return to good BSBA academic standing. Should a student decide not to enroll at the University for a semester or other period of time, his or her status will remain the same upon returning.

2. BSBA Termination. A student on BSBA Academic Alarm who fails to achieve a semester GPA in the BSBA Core of at least 2.00 at the end of a fall or spring semester is terminated from the BSBA program. Upon BSBA termination, the student's major in the Strome College of Business will be removed. (This does not affect a declared second major outside of the BSBA.) These students are advised to work with an advisor in the SCB Center for Undergraduate Advising to explore other major options, and for referrals to other advising departments for a new major declaration.

A student on BSBA Academic Alarm who fails to achieve a semester GPA in the BSBA Core of at least 2.00 in a summer term will not be terminated but will continue in BSBA Academic Alarm status.

Guidelines for Filing a BSBA Termination Appeal

1. All students have the right to appeal their BSBA termination if they believe that extraordinary circumstances were the main reason for their poor academic performance. Notifications of pending BSBA termination are sent to the student's ODU email address and include information on the appeal process and deadlines. All BSBA termination appeals must be submitted electronically using the link provided in the email and will be reviewed by the SCB Termination Appeal Committee. Students are responsible for submitting their appeal by the stated deadline; late appeals will not be reviewed. Decisions of the Termination Appeal Committee may be appealed to the Associate Dean for Undergraduate Programs in the Strome College of Business whose decision is final.

2. Appeals must be based on circumstances pertinent to the semesters in which the academic difficulty occurred that were beyond the control of the student and for which official withdrawal from the course(s) was not an option. Appeal letters must be legible and authored by the terminated student.

   a. Document the extraordinary circumstances such as a death in the family, medical complications or chronic conditions, personal or family emergency, overwhelming work schedules, dorm-mate conflict, or a personal relationship conflict that have adversely affected performance: i.e., a statement or letter from a physician, employer, family members, faculty, academic advisor, Counseling Services, or Educational Accessibility.

   b. Explain how the extraordinary circumstances caused each semester of poor academic performance.

   c. State the reasons why an official withdrawal was not requested.

   d. Explain how the extraordinary circumstance(s) has been resolved.

   e. Provide a plan of action to return to good BSBA academic standing.

3. Students who do not file a BSBA termination appeal or whose appeals are denied, are no longer eligible to pursue a bachelor's degree in Business Administration. Upon BSBA termination, the student's major in the Strome College of Business will be removed. (This does not affect a declared second major outside of the BSBA.) These students are advised to work with an advisor in the SCB Center for Undergraduate Advising to explore other major options, and for referrals to other advising departments for a new major declaration.

4. BSBA-terminated students who had pre-registered for a subsequent semester lose eligibility for continued enrollment in upper-level business courses.

Applying for Readmission to the BSBA Program

After a minimum of five years has passed since a student was terminated from the BSBA program, the student may apply for readmission to the program. There must be a high probability the student will successfully complete the degree program, and approval will be at the discretion of the Strome College of Business Associate Dean.

The decision will be based on an evaluation of the student's transcript and on a written statement from the student explaining how circumstances that previously prevented the student from succeeding have changed in the intervening time period.

If readmitted, a student will be required to take all BSBA Core courses, and their prerequisites, that have not been completed with a grade of C or better, and any other courses required for the student's degree program under the most recent Undergraduate Catalog.

If a student is readmitted, BSBA Core course grades of C- or lower earned before termination will not be included in future BSBA Core GPA calculations (though they will remain on the transcript).

Degree Requirements

Students in all of the Bachelor of Science in Business Administration degree programs must fulfill the University General Education requirements (including foreign language) as well as the Strome College of Business’s core, major, and elective requirements. Students must choose at least one major area to meet requirements towards the degree. The major areas are: accounting, decision sciences, economics, finance, international business, information systems and technology, management, maritime and supply chain management, and marketing. Students majoring in international business must take the specific international business and regional courses that have been designated for their specific region.

To stay in compliance with AACSB accreditation standards, students receiving a Bachelor of Science in Business Administration from Old Dominion University must complete at least half of their business course work in residence with a minimum of four courses in their declared major. This equates to 10 business classes, thus meeting the University's residency requirement as well.

Majors in the college may not take business and public administration courses for pass/fail credit except those courses in which pass/fail is the only grading option (i.e., internships and practica).

No more than four hours of activity credit (used as free electives) may be applied to degree requirements for students majoring within the college.

Competency in Oral and Written Communication

Competency in oral communication is demonstrated by the completion of COMM 101R, Public Speaking. Additionally, all students majoring in business administration can expect to complete several courses in which individual and/or group oral presentations will be required. The written competency is demonstrated by completion of ENGL 110C and ENGL 221C, Introduction to Writing in Business, Education and the Social Sciences (or ENGL 211C or ENGL 231C) with a grade of C or better.

Upper-Level Writing Intensive Requirement

The upper-level writing intensive requirement in business administration majors is met with MGMT 485W. Students must earn a grade of C or better in MGMT 485W in order to graduate. Exception: students majoring in Economics must complete MGMT 485W, but meet the writing intensive requirement by earning a grade of C or better either in MGMT 485W or in one of the ECON Writing Intensive courses.

Impact of Technology General Education Requirement

The Impact of Technology general education requirement is satisfied within each B.S.B.A. degree concentration except Information Systems and Technology by IT 360T. In the Information Systems and Technology concentration, the Impact of Technology requirement is satisfied by the coursework required for the concentration.
Information Literacy and Research General Education Requirement
All business students will complete either IT 150G (recommended) or any 'G' course from the approved General Education information literacy and research course list.

Philosophy and Ethics General Education Requirement
All business students will complete either PHIL 230E or an upper-level 'E' course from the approved General Education ethics course list. A philosophy course designated with a 'P' will not meet this requirement for business administration students with the exception of a 'P' course taken prior to fall 2010.

Advanced Placement
The college accepts advanced placement credit in accordance with the rules and regulations outlined in the Academic Information section of this catalog. Students may take College-Level Examination Program (CLEP) tests to receive credit for:

Students are advised to contact the Office of Prior Learning Assessment for more information regarding CLEP and other prior learning assessment credit options. For advanced placement credit in any other business or public administration course, students are advised to contact the chair of the department offering the course. Additional information about credit awarded for qualifying scores on AP and IB subject examinations can be found on the Office of Undergraduate Admissions website at https://www.odu.edu/admission/undergraduate/credit (https://www.odu.edu/admission/undergraduate/credit/).

Practical Work Experience for Business Administration Majors
Students may complement their major studies with a practical work experience, which may take the form of an internship, cooperative education experience or a class containing a real-world, hands-on project. Students must apply for internship or co-op participation through the Strome College of Business Career Development Services Satellite Office. All work experiences must be approved by the faculty sponsor in the appropriate department prior to registering for credit. Students may not earn credit for previous or current work experiences. (However, academic credit for work experience may be awarded in accordance with the policies for granting prior learning credit as defined in the section on Credit Options at the Undergraduate Level in this catalog.) For details see the Career Development Services section of this catalog.

Use of Internship and Similar Hours Toward Business Administration Majors
A student may apply no more than six hours of cooperative education, student internship or practicum courses to satisfy degree requirements. Students may not use more than three hours of cooperative education, student internship or practicum courses to satisfy major elective requirements in each of the student's majors. These courses are numbered 367, 368 or 369. Additional hours of cooperative education, student internship or practicum courses, however, can be used to satisfy other requirements such as free electives or general business electives. Additional internships must each involve substantially different kinds of work experiences. Internships must be approved by the Chief Departmental Advisor of the student's major and the CAP Coordinator of the internship.

Transfer of the Associate of Science in Business Administration Towards Degree Requirements
Students transferring to the college must complete a minimum of 10 business courses offered by the college to earn the degree from Old Dominion University, in accordance with AACSB regulations. Those transfer students holding the Associate of Science in Business Administration degree from a Virginia Community College must earn the grade of 'C' or better in the following courses in order to satisfy requirements found in the first two years of the B.S.B.A. degree:

Upper-level ethics course

With the exception of the courses listed above, the University's lower-division General Education requirements are deemed satisfied by the accepted A.S. degrees. These typically include all A.S. degrees from the Virginia Community College System except the applied science degrees. For more information about accepted A.S. degrees contact the Office of Admissions. Associate degree holders, although meeting lower-level General Education requirements, must ensure that 120 credits are completed to earn the B.S.B.A. degree. A minimum of 25% of the required credit hours must be completed through Old Dominion University, at least 12 of which are upper-level courses in the major program.

The Strome College of Business does not accept courses completed at the freshman and sophomore levels at other institutions for required courses at the junior and senior level at Old Dominion University. Please see the section on CLEP credits (Prior Learning Assessment Credit Options at the Undergraduate Level) for additional information.

Grade Average Requirements for Graduation
To graduate with a Bachelor of Science in Business Administration degree, students must present a minimum of 120 hours with a minimum overall grade point average of 2.00 in all courses taken at Old Dominion University. Students must also attain a minimum overall grade point average of 2.00 in courses taken toward the major (courses included in the major grade point average calculation are listed following the description of each major's course work).

Additionally, students must attain a minimum overall grade point average of 2.00 in the BSBA Core listed below. Only courses completed at Old Dominion University will be used to compute the BSBA Core average. Students with an IT major are not required to take IT 360T, so the BSBA Core grade point average is computed using the remaining courses. If the BSBA Core average is below the required 2.00 minimum, students are advised to utilize the Grade Forgiveness Policy or Adjusted Resident Credit option when appropriate to improve the grade point average.

* Not automatically waived for transfer students with an applicable associate's degree from a Virginia Community College or another acceptable community college, or for students with a prior bachelor's degree from another university. A grade of C or better must be earned to transfer these courses to Old Dominion University.

** Students completing a major or minor in Information Systems and Technology do not take this course.

Upper-Division General Education

• Option A. Any University-approved minor, second degree, or second major.*
• Option B. An interdisciplinary minor consisting of 12 credits, three of which can be in the major. Interdisciplinary minors are described in the University Catalog section labeled Requirements for Undergraduate Degrees, Upper-Division Requirements.
• Option C. International business and regional courses or an approved certification program, such as teaching licensure.**
• Option D. Two Upper-Division Courses from outside the Strome College of Business and not required by the major (6 credits).
Bachelor of Science in Business Administration students who pursue a minor or second major outside the Strome College of Business or in Economics, Military Leadership or Public Service fulfill Option A with no additional course work needed. Bachelor of Science in Business Administration students pursuing a minor or second major in the Strome College of Business other than Economics, Military Leadership (minor only) or Public Service (minor only) must also take six hours of 200-400 level courses outside the Strome College of Business, or in economics, or in military leadership or in study abroad. Students majoring in economics who pursue a minor or second major in the Strome College of Business fulfill the upper-division general education requirement and do not need to take the six hours of 200-400 level courses outside the Strome College of Business.

**
All International Business majors take international business and regional courses as specified within the major requirements. Please see the International Business major course work for further details.

Business Elective
A business elective is a course that is offered by an accredited college of business, including the Strome College of Business at Old Dominion University. PAS courses offered by the Strome College of Business are not considered as business courses. However, because some business courses cannot be used to satisfy the requirements of certain majors, students must refer to their specific degree program requirements to make sure that they complete appropriate business elective courses. For example, ECON 200S cannot be used to satisfy an elective requirement for students majoring in business administration. Also, IT 360T cannot be used as an elective by students majoring in Information Systems and Technology. Refer to the course description section of this Catalog for full details of courses and their prerequisites.

Free Elective
In the majority of cases a free elective is any course offered by an accredited community college or university, including Old Dominion University. However, because some courses cannot be used to satisfy the requirements of certain majors, students must refer to their specific degree program requirements to make sure that they complete appropriate elective courses. For example, ECON 200S cannot be used to satisfy an elective requirement for students majoring in business administration. Also, IT 360T cannot be used as an elective by students majoring in Information Systems and Technology. Refer to the course description section of this Catalog for full details of courses and their prerequisites.

B.S.B.A. to M.B.A. (Master of Business Administration) Linked Program
The linked BSBA is an early entry to the MBA program of study. The early-entry program is designed for well-qualified ODU business administration undergraduate students to begin the MBA program prior to their completion of the undergraduate degree. Well-qualified undergraduate students may take MBA-level courses as early as three semesters prior to their graduation and count up to 10 graduate credit hours toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office to develop an individualized plan of study based on the required coursework outlined below.

Admission Requirements
A potential candidate will have:

1. Achieved a minimum Graduate Management Admission Test (GMAT) score of 550
2. Completed all lower-level general education requirements
3. Completed at least 24 credit hours at ODU with a cumulative GPA of at least 3.0
4. A minimum index of 1200 (index is computed as 200 times the ODU GPA plus GMAT score)

Students who have done exceptionally well in their undergraduate coursework may qualify for a GMAT waiver. These candidates will have:

1. Completed all lower-level general education requirements
2. Completed at least 24 credit hours at ODU with a cumulative GPA of at least 3.5
3. Achieved junior standing

Admissions Procedure
Students interested in the early-entry program should complete the GMAT at least two semesters prior to the semester in which they wish to enroll. Applications to the MBA program should be submitted online following published deadlines in order to begin coursework in the desired semester. When completing the application for admission, students need to select an official admission date that is the semester immediately following their anticipated undergraduate graduation.

Students interested in the program should contact the MBA Program Office as early as possible to discuss their plans for early entry. Once admitted to the program, the MBA program manager will act as the student’s co-advisor, along with the chief departmental advisor or chief discipline advisor in the student's undergraduate major. The MBA Program Office is located in 1026 Constant Hall. The phone number is 757-683-3585 and email is mbainfo@odu.edu.

Requirements for the M.B.A.
The MBA degree requires the completion of 40 credit hours for business administration majors. Depending upon the coursework completed for their undergraduate major, students may be required to take one or more one-credit hour courses from the MBA pre-core. Pre-core courses are available only online and consist of the following: MBA 600, MBA 601, MBA 602, MBA 603, and MBA 604. Students will work closely with their undergraduate advisor to confirm what MBA coursework can be used for the fulfillment of their undergraduate degree requirements.

Students must satisfactorily complete:

Elective Credit Hours 4

Total Hours 40
Each core course is offered once per academic year in a specific semester both online and on-campus to maximize opportunity for degree completion, subject to sufficient demand.

Graduate Writing Proficiency
Students in the MBA program are required to meet the Old Dominion University writing requirement. This can be achieved in one of two ways: (1) earn a raw score of 4.5 or above on the Analytical Writing portion of the GMAT/GRE or (2) successfully complete MBA 621: Effective Business Writing.

Continuance Policy
To remain in good standing after admission to the program, students must maintain a minimum cumulative grade point average of 3.0 in all graduate coursework attempted at the University. Students who fall below this minimum standard will have 12 credit hours to remedy this deficiency.

Further, students may be removed from the program when they earn (1) a grade of C or lower in two courses in the pre-core, or (2) a grade of C or lower in two courses in the core and elective coursework, or (3) a failing grade (F) in any course.

B.S.B.A. to M.P.A. (Master of Public Administration) Linked Program
The linked B.S.B.A. to M.P.A. program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking 12 credits of the M.P.A. program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work or currently working in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. After receiving the undergraduate degree, a student will continue with the M.P.A. program, taking M.P.A. courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Admission Requirements
A potential candidate will have:

1. Completed all lower level general education requirements
2. Achieved a cumulative GPA of at least 3.0 at the end of the junior year

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog. For additional information, please contact the School of Public Service in the Strome College of Business.

Minor in Business Administration
A minor in business administration is available to students not receiving the Bachelor of Science in Business Administration degree. ACCT 201, ACCT 202, ECON 202S, and either BNAL 206 or STAT 130M must be completed as prerequisites for the minor and are not included in the calculation of the grade point average for the minor. Requirements for the minor are:

To receive a minor, the student must achieve a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of 200-level courses and prerequisite courses and complete a minimum of six hours in upper-level courses in the minor requirement through courses offered by Old Dominion University.

Minor in Public Service
The minor in public service is offered by the School of Public Service. The purpose of the minor is to provide students with a solid theoretical foundation in the study and practice of public service, preparing students for careers in public service and for graduate education in public administration, public affairs, and related fields.

Program Structure
The minor in public service consists of 12 hours of coursework. Students take six hours of core classes and six hours of elective courses. At least three hours of elective courses must be chosen from PAS 408, PAS 409, PAS 410, PAS 411, PAS 412, PAS 413 or PAS 395. The other three elective hours may be selected from the approved list of elective classes, taken upon the recommendation of the department and/or academic advisor. Students should seek the recommendation of their department and/or academic advisor as to the precise mix of elective courses taken. For completion of the minor, a student must have a minimum grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of 200-level courses and prerequisite courses and complete a minimum of six hours in upper-level courses in the minor requirement through courses offered by Old Dominion University.

The Urban Community Interdisciplinary Minor
Christopher B. Colburn, Department of Economics, Coordinator
The interdisciplinary minor in the Urban Community encourages an interdisciplinary approach to the problems and crucial issues that emerge from urban environments. Students gain an understanding of the issues associated with the convergence of diverse populations in urban locations and acquire an appreciation of the complexities of the interlocking and contingent nature of urban problems. This will be accomplished through an examination of the topical areas of common space, diversity, urban services, disorder, and work.

The interdisciplinary minor in the Urban Community requires 12 credit hours of 300/400-level courses selected from at least two different disciplines with a maximum of six credits from any one discipline. For completion of the interdisciplinary minor, students must have a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of lower-level courses and prerequisite courses. At least six hours of upper-level courses must be taken through courses offered by Old Dominion University. Three credit hours may be in the major, if a major course is listed as an option for the interdisciplinary minor. As such, it will be credited toward both the major and the interdisciplinary minor.

The following sections denote undergraduate course requirements for specific majors offered by the Strome College of Business. Most majors have free electives and business electives, which are also listed. Credit hours are listed after the course title.
