COMM - Communications

COMM 101R Public Speaking (3 Credit Hours)
Preparation, delivery, and analysis of types of speeches with emphasis on extemporaneous speaking.

COMM 103R Voice and Diction (3 Credit Hours)
An introduction to the analysis and practice of effective voice and articulation. Applications across various communication contexts, such as public communication, media, and social communication.

COMM 112R Introduction to Interpersonal Communication (3 Credit Hours)
An introduction to concepts, processes, and effects of communication in personal and social relationships. Emphasis on fundamental communication skills necessary for the formation and maintenance of relationships.

COMM 126R Honors: Public Speaking (3 Credit Hours)
Open only to students in the Honors College. A study of the theory, strategies, and techniques of public speaking with emphasis on its application to effective conflict resolution.

COMM 195 Topics in Communication (1-3 Credit Hours)
A study of selected topics designed for non-majors or for elective credit within a major. These courses will appear in the course schedule, and will be more fully described in a booklet distributed to all academic advisors.

COMM 196 Topics in Communication (1-3 Credit Hours)
A study of selected topics designed for non-majors or for elective credit within a major. These courses will appear in the course schedule, and will be more fully described in a booklet distributed to all academic advisors.

COMM 200S Introduction to Human Communication (3 Credit Hours)
An introduction to the discipline and methods of human communication. Survey of the major approaches to studying communication across the range of human communication contexts and functions.

COMM 225 Introduction to Production Technology (3 Credit Hours)
Fundamentals of construction, lighting, and production techniques in contemporary theatre and film. Students will apply acquired skills to active productions for ODU Theatre and Film productions.

COMM 226S Honors: Introduction to Human Communication (3 Credit Hours)
Open only to students in the Honors College. An introduction to the discipline and methods of human communication. Survey of the major approaches to studying communication across the range of human communication contexts and functions.

COMM 227A Honors: Film Appreciation (3 Credit Hours)
Open only to students in the Honors College. This class will focus on both contextual and close text analysis of masterworks as they have influenced film art and industry. Students in this course are expected to develop basic research, communication, viewing and critical thinking skills as they apply their knowledge to the analysis of the film experience.

COMM 260 Understanding Media (3 Credit Hours)
An examination of mass communication—books, newspapers, magazines, radio, TV, film, sound recordings, and the Internet—as a global institution, industry, and social force. Media literacy skills are emphasized, as are matters of technology, content, economics, history and impact.

COMM 269 Visual Storytelling (3 Credit Hours)
This online course will introduce students to the process of making movies. Students will learn basic conceptual and technical principles of the filmmaking process using personal equipment, such as an iPhone. The course is intended for non-cinema majors and does not satisfy the prerequisite requirement for higher-level production courses.

COMM 270A Film Appreciation (3 Credit Hours)
This class focuses on both contextual and close text analysis of masterworks as they have influenced film art and industry. Students in this course are expected to develop basic research, communication, viewing and critical thinking skills as they apply their knowledge to the analysis of the film experience.

COMM 271 Introduction to Filmmaking (3 Credit Hours)
This course will introduce the beginning student to making movies. Students will learn the basics of working with cameras, lights, sound recording, video editing and post production. This is a hands-on production course and the required prerequisite to most higher-level production courses. Students who complete COMM 271 cannot enroll in COMM 269 and have that course count toward their major.

COMM 272G Digital Literacy (3 Credit Hours)
Digital literacy refers to the unequal understanding people have about how digital technologies work, how that work is regulated, and how digital technologies are used - by us and by others - as effective and strategic communication and information tools. This course offers students a pathway to become digitally literate by teaching them how the work they perform on digital platforms impacts their interpersonal, communal, and social interactions as consumers, citizens, and content producers.

COMM 278G Advertising & Society (3 Credit Hours)
Advertising influences consumer beliefs and decision-making. This course introduces students to fundamental concepts in advertising and consumer culture while developing skills and knowledge in information and digital literacy. Topics covered include consumerism and resistance, representation in advertising, audience segmentation, and digital advertising. As they learn to critically evaluate and analyze advertising and its audiences, students will practice message evaluation and research skills. Students will also consider legal and ethical use of information in advertising.

COMM 280T Entertainment Technologies (3 Credit Hours)
This course is an introduction to the entertainment industry including working methods, processes, and equipment for live, recorded, and interactive entertainment. The exploration will include theatre, opera, dance, concert productions, theme parks, themed-retail, film production, immersive, interactive and virtual environments, and gaming technology. Attention is given to the positive and negative aspects of entertainment technologies and how they impact culture and society.

COMM 295 Topics in Communication (1-3 Credit Hours)
A study of selected topics designed for nonmajors or for elective credit within a major. These courses will appear in the course schedule and will be more fully described by academic advisors.

COMM 300 International Sojourning (3 Credit Hours)
This course is designed to prepare ODU study-abroad students for successful international sojourns. Topics to be covered include culture, culture shock, reverse culture shock and strategies for a successful study-abroad experience.
Prerequisites: junior standing or permission of instructor

COMM 301 Critical Methodologies (3 Credit Hours)
This survey course introduces students to critical methodologies utilized in the study of media texts. Through case studies and hands-on exercises, students will learn how to study the production, consumption, and engagement with popular culture and how to decode its meanings.
Prerequisites: COMM 260

COMM 302 Communication Research Methods I (3 Credit Hours)
An introduction to communication research from a social science perspective. Experiment, survey, content analysis and observational approaches are covered. Students learn statistical data collection and data analysis techniques.
Prerequisites: STAT 130M, COMM 200S and six hours of 300-400 level communication courses or permission of instructor
COMM 303 Introduction to Strategic Communications (3 Credit Hours)
A study of interactions within and among communication workplaces and the public. Attention is given to the media, promotions, community relations, and public information.
Prerequisites: COMM 260 or permission of the instructor

COMM 304 Advanced Public Speaking (3 Credit Hours)
An analysis and expression of professional speeches, delivered in public, business and special occasion contexts. Attention is given to audience analysis, library research, development of arguments/evidence as content, creation and use of professional visual aids, expression of appropriate verbal and nonverbal speech cues, speaker credibility, and extemporaneous delivery skills.
Prerequisites: COMM 101R

COMM 305 Work-Life Communication (3 Credit Hours)
This course is an examination of both the theory and practice of communication in the professional setting. Content includes communication theory, work-life communication, as well as the roles of interpersonal, organizational, and mediated communication as related to the workplace.
Prerequisites: Junior standing or permission of instructor

COMM 306 Diplomatic Communication (3 Credit Hours)
This course is designed to familiarize students with the basic elements of diplomatic communication by providing them with an overview of the language, the protocol, contact practices, and administrative policies of the Diplomatic Corps. Students will be trained in the technical aspects of diplomatic discourse from resolution writing to mission briefings, and the ever-evolving use of computers and other electronic modes of communication in carrying out government business.
Prerequisites: COMM 300 or COMM 400W

COMM 307 Understanding European Film (3 Credit Hours)
This course provides students with an historic overview of films from a variety of European countries. Students gain the vocabulary necessary to analyze individual films and for the comparative analysis of films from different cultural and historical contexts. The course will focus on issues such as national and individual identity, film as aesthetic form, gender and sexuality, and popular culture.
Prerequisites: Junior standing or permission of instructor

COMM 308W Strategic Communications Writing (3 Credit Hours)
This writing-intensive course will provide students with a concrete, real-world strategic communications experience in writing for various media to enhance the communication program of an organization. Students will research and write for print, broadcast, social, and digital media like video and electronic newsletters.
Prerequisites: grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C; COMM 303 recommended

COMM 309 Media Relations (3 Credit Hours)
Companies and organizations from just about every sector have a person or in some cases entire offices tasked with media relations. This course will take an in-depth look at the evolving landscape of multimedia communications, including seismic changes in the media in general, the rise of bloggers, influencers, and other shared media models, and the increasing role that content generation plays in traditional media relations. The course will include hands-on instruction and projects in content generation, media pitching and contact lists, media interviews, press conferences, as well as non-traditional earned media practices.
Prerequisites: COMM 260 or permission of the instructor
Pre- or corequisite: COMM 303 or permission of the instructor

COMM 310 Strategic Communications Campaigns (3 Credit Hours)
This course emphasizes a multi-disciplinary and multi-media approach to problem solving. Students will prepare a strategic communication campaign on behalf of a real client. It will include the production of research, strategy, and media material for use by the client. These materials, in turn, may be used in student portfolios as examples of professional capabilities.
Prerequisites: COMM 260 or permission of the instructor
Pre- or corequisite: COMM 303 or permission of the instructor

COMM 311 Strategic Communications Tactics (3 Credit Hours)
This course provides students skills needed to enter the workforce with a robust set of domain-specific skills, which includes practicing those skills in a realistic, hands-on setting, so they feel more ready to win and succeed in jobs in the competitive, modern marketplace. This course will provide relevant skills training to strategic communication students, while fortifying these students for professional success.
Prerequisites: junior standing

COMM 314 Nonverbal Communication (3 Credit Hours)
An introduction to the theories, processes and effects of communication in nonverbal codes. Topics include kinesics, proxemics and paralanguage. Critical analysis and contemporary research emphasized.
Prerequisites: Junior standing and COMM 200S, or permission of the instructor

COMM 315W Sex, Gender, and Communication (3 Credit Hours)
An overview of communication theory and research examining gendered verbal and nonverbal communication. Topics include communication differences as a function of gender, theories that seek to explain these differences, and critical examination of social practices that create gender prescriptions. This is a writing intensive course.
Prerequisites: Junior standing, COMM 200S, and a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, or permission of the instructor

COMM 321 Production Management for Television and Stage (3 Credit Hours)
This course assists students in understanding the elements of production management both in television and on stage. The course emphasizes organizational and communication skills; technical production knowledge; professional rehearsal and performance protocol according to the rules of AEA, AFTRA and SAG as well as basic production budgeting and scheduling.
Prerequisites: Junior standing or permission of the instructor

COMM 322 Leadership and Events Management (3 Credit Hours)
The course covers the systematic process of organizational assessment from basic communication channels (verbal, printed, and electronic modes of communication), to interpersonal and group communication, to the management of events and staff. This course examines the importance of leadership roles within organizations in planning any event as well as the communication dynamics between management and those being supervised.
Prerequisites: COMM 200S or permission of the instructor

COMM 324 British Media in London (3 Credit Hours)
This is an immersive London based study of the historical, social and artistic impact of Britain's media on the world. From dramas to documentaries to journalism, the UK serves as one of the world’s most reliable outlets for exacting thought, analysis, aesthetic sensibility and production standards. From Shakespeare to James Bond to Harry Potter, British productions garner some of the world’s highest audiences. The BBC alone has an expansive foot-print in all international media. In this course students will visit key media entities and professionals in their studios, soundstages and theatres.
Prerequisites: COMM 270A or THEA 270A

COMM 325 Sound Design for Stage and Camera (3 Credit Hours)
This class introduces the concepts and techniques of sound design and sound effects for the stage and camera. Students learn design of sound elements in both a live and recorded environment as well as learn the current equipment and software in digital sound reproduction.
Prerequisites: Junior standing or permission of the instructor

COMM 326 Foundations of Group Communication (3 Credit Hours)
An introduction to the study of communication in task groups. Course reviews foundational literature and emphasizes communication competencies relevant to optimizing group outcomes including group observation, participation, assessment, and leadership.
Prerequisites: Junior standing and COMM 200S or permission of the instructor
COMM 330 The Short Script (3 Credit Hours)
This course builds upon the principles taught in Screenwriting I (or equivalent) using the short script as a basis for the exploration. Utilizing concepts of characterization, plot, dialogue and narrative style, students should complete the course with several production-ready short scripts.
Prerequisites: COMM 346 or THEA 346

COMM 331 Argumentation and Debate (3 Credit Hours)
Study of the principles of argumentation; frequent practice in debating current public problems.
Prerequisites: COMM 101R or permission of the instructor

COMM 332 Making African-American Cinema (3 Credit Hours)
This introductory course on African-American cinema will focus on a variety of contemporary films, media clips, and video presentations concerning issues and topics that reflect the diversity within the African-American community of young adults between the ages of 18 to 25. The main goal of the class is to review historical films produced for African-Americans and utilize that data to conduct research and develop projects that represent the cultural diaspora of this audience, which is often not reflected in mainstream media, in Hollywood or major independent media outlets such as HBO or Showtime. Cross-listed with THEA 332.
Prerequisites: Junior standing or permission of the instructor

COMM 333 Persuasion (3 Credit Hours)
An overview of the rhetorical and social scientific theories and research about persuasion and applications in speeches and campaigns.
Prerequisites: COMM 200S or permission of the instructor

COMM 334 Narrative Adaptation (3 Credit Hours)
This screenwriting course explores the ways teleplays, stage plays, and screenplays can be crafted using a variety of primary source materials. Through multiple screenings, writing exercises, and deep reading, it examines what constitutes an adaptable piece of prose and how that material can be transformed. Primary weight is given to the movement from novel to film.
Prerequisites: COMM 346 or THEA 346

COMM 335W Rhetorical Criticism (3 Credit Hours)
With the goal of being able to critique a communication event, students study a variety of rhetorical approaches that may include neo-Aristotelian, generic, feminist, metaphorical, fantasy theme, and pentadic approaches to rhetorical criticism. This is a writing intensive course.
Prerequisites: COMM 101R and a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, or permission of the instructor

COMM 336 Field Study in Strategic Communication (3 Credit Hours)
This course will expose students to how strategic communications firms and departments function, through trips, visits, and interactions with professionals in the field. Taking a cross-industry sector approach, it will engage differences between firms and departments, differences between organizations and clients in various sectors, and variations in structure and process depending on management priorities and organizational culture.
Prerequisites: COMM 260 or permission of the instructor
Pre- or corequisite: COMM 303 or permission of the instructor

COMM 337 Model League of Arab States (3 Credit Hours)
A study of the basic principles of negotiation and diplomacy through the vehicle of a simulation. Students study political, economic and social issues that impact upon the Middle East, research and prepare issue positions and debate/discuss these positions in a model.
Prerequisites: COMM 101R

COMM 339 Entertainment Journalism (3 Credit Hours)
In this course, students learn how to transform casual expressions of opinion about celebrities and media into polished reviews and articles worthy of publication in newspapers, magazines, and online platforms. Students will examine models of good entertainment journalism, past and present, in print, on the Web and in podcasts. In particular, students will consider critical reviews, profiles of artists and entertainers, interviews, and trend stories.
Prerequisites: Junior standing
Pre- or corequisite: COMM 260

COMM 340 Media and Popular Culture (3 Credit Hours)
This course examines the basic ways in which the mass media intersect with the currents of contemporary culture. Both historical and critical approaches to the study of mass communication and popular culture trace the full implications of their mutual determination and interdependence.
Prerequisites: COMM 260

COMM 341 Lighting Design for Stage and Film (3 Credit Hours)
This is a production course introducing students to the world of light and shadow, mood and composition by surveying lighting design, its technologies for stage and camera, and such principles as basic electrical theory and stage/studio/location design aesthetics.
Prerequisites: COMM 225/THEA 225 and COMM 271/THEA 271 or permission of instructor

COMM 342 Video Editing - Adobe Premiere (3 Credit Hours)
This course serves as an introduction to the art of video post-production. We explore the theory and practice of various editing styles in order to gain a better understanding of how stories are constructed in the editing room. Through demonstrations and hands-on experience, students learn editing techniques with an in-depth examination of Adobe Premiere Pro.
Prerequisites: Junior standing
Pre- or corequisite: COMM 271 or THEA 271 or DANC 271

COMM 344 Introduction to Media Industries (3 Credit Hours)
This course provides students with an overview of a range of media industries, exploring their histories and structures and their impact on contemporary media production. Students will track ongoing industry developments, applying course concepts and learning how media is made and how that process is restricted by a range of social, cultural, political, and economic forces.
Prerequisites: COMM 260

COMM 345 Media Audiences (3 Credit Hours)
This course is designed to introduce students to the major theories and perspectives that inform the ways media audiences are made meaningful to the creation, distribution, promotion, regulation, and evaluation of media and popular culture.
Prerequisites: COMM 260

COMM 346 Screenwriting I (3 Credit Hours)
This course is an introduction to narrative screenwriting focusing on the traditional feature film. Students will study screenwriting principles through text reading, film viewing, script analysis and substantial writing assignments. Focus is on story structure, character development, action, dialogue, and proper screenplay format.
Prerequisites: ENGL 110C with a grade of C or better and ENGL 211C with a grade of C or better

COMM 348 Acting for the Camera (3 Credit Hours)
This course examines the process of building characters for the camera, and the ways in which the conventions of the stage are adapted for the film or video audience.
Prerequisites: THEA 152R

COMM 349 Costume Design for Stage and Camera (3 Credit Hours)
This course explores the design aesthetic, historical context, and contemporary impact on performance of the costume garment and its accessories. Students explore the application of design principles in a practical experience.
Prerequisites: THEA 244

COMM 351 Interpersonal Communication in Organizations (3 Credit Hours)
Focuses on communication theory, research, and applications of a variety of forms of communication in organizational relationships. Topics include superior-subordinate communication, interviewing, and presentations with an emphasis on a diversity of perspectives and types of organizations.
Prerequisites: Junior standing and COMM 200S or permission of the instructor
### Prerequisites:
Focuses on programming, station practices, ownership, and operations deployed by film editors.

Investigate and understand the effectiveness of various editing techniques such as pacing, rhythm, juxtaposition, and color. The course will encourage students to master the theory of film editing and concepts in film editing such as pacing, rhythm, and color correction.

This course is designed to provide students with advanced practical skills in the field of film editing. Students will learn and apply industry standard best practices in the field of audio visual post-production. This is a hands-on workshop style post-production course.

**COMM 354 Drafting and Rendering for Stage and Screen (3 Credit Hours)**
This course is an intermediate level course designed to introduce the student to the fundamentals of graphic skills necessary for the implementation of a scenic design on either the stage or in front of a lens. Techniques and skills will be demonstrated in drafting (hand and computer generated) and perspective sketching and rendering. Crosslisted with THEA 354.

**COMM 355 Organizational Communication (3 Credit Hours)**
Focuses on critical analysis of theory and research organizations as functional communication systems at the individual, dyadic, small group, and organizational levels. Topics include information processing, problem solving, impression management, compliance gaining, and network analysis.

**COMM 356 Silhouette Animation (3 Credit Hours)**
This is a project oriented, studio class that will focus on the art of animated storytelling through the use of silhouette animation. Individual research, writing, design and implementation of knowledge to create new projects will be necessary to successfully meet the requirements of the course. All of the projects and class exercises in this course will require students to combine writing, storytelling, a variety of art techniques, editing, and sound to produce original short animations.

**COMM 357 Claymation (3 Credit Hours)**
This is a project oriented, studio class that will focus on the art of animated storytelling from the traditional perspective of stop motion animation. Students will engage in individual research, writing, storytelling, editing, and sound creation to produce original short animations.

**COMM 358 Post-Production with DaVinci Resolve (3 Credit Hours)**
This course will introduce students to Blackmagic DaVinci Resolve, a complete Post-Production Suite. Students will work their way through all the “rooms” in DaVinci: Media, Edit, Color, Fairlight, and Fusion and Delivery. The main focus will be on editing and color correction, but advanced sound post in Fairlight and Compositing in Fusion will also be explored. The focus will be on mixing software-specific techniques with a deepening understanding of the underlying theories of editing, color theory and principles of sound. The students will learn and apply industry standard best practices in the field of audio visual post-production. This is a hands-on workshop style post-production course.

**COMM 359 Costume Crafts (3 Credit Hours)**
This course will develop design principles and craft techniques to create a wide variety of costumes and props. The course will focus on individual research, design elements and technical challenges. Projects will encourage students to explore textile modification, various applications for clothing design, costume crafts and art materials. Cross-listed with THEA 355.

**COMM 360 Editing Aesthetics (3 Credit Hours)**
This course is designed to provide students with an in-depth knowledge of the theory of film editing and concepts in film editing such as pacing, rhythm, juxtaposition, and color. The course will encourage students to investigate and understand the effectiveness of various editing techniques deployed by film editors.

**COMM 361 Electronic News (3 Credit Hours)**
Theory and techniques of preparing news for the electronic media, including evaluation of newscasts and news reports for radio, television, and cable. Electronic news on the local, national, and international levels is analyzed as an institution and as a social force.

**COMM 362 Public Journalism in the Digital Age (3 Credit Hours)**
This course exposes students to conventional and alternative approaches to reporting in public journalism. Students use a combination of conventional and alternative approaches as they research, interview, and construct a story on a local community issue or concern.

**COMM 363 Cooperative Education (1-3 Credit Hours)**
Available for pass/fail grading only. Student participation for credit based on the academic relevance of the work experience, criteria, and evaluative procedures as formally determined by the department and Career Development Services prior to the semester in which the work experience takes place. May be repeated for credit.

**COMM 364 Radio (3 Credit Hours)**
Focuses on programming, station practices, ownership, and operations of radio stations in the context of past, present, and future market and regulatory restrictions. Demonstration audio tapes and station visits required.

**COMM 365 Television Production (3 Credit Hours)**
This course explores the basic process of producing television from script to presentation.

**COMM 366 Documentary Production 1 (3 Credit Hours)**
This course offers the student an opportunity to explore the world of documentary filmmaking. Students will perform research to develop evidence in support of a thesis, then utilize the camera to capture a narrative story based on the thesis. Through this process, the student is better able to understand documentary filmmaking. Students will develop and deliver short documentary films by the end of the semester.

**COMM 367 Internship (1-3 Credit Hours)**
A structured work experience with or without remuneration, in an appropriately related disciplinary field. An ePortfolio, 150 hours of site work, plus satisfactory evaluations by supervisor and cooperating faculty member are required. Available for pass/fail grading only. Available to Communication, Theatre, and Dance majors and minors only. Cross-listed with DANC 368 and THEA 368.

**COMM 368 Research Practicum (3 Credit Hours)**
A structured research experience, under the supervision of communication faculty member. A paper evaluating/analyzing the research, a log of research progress, and satisfactory evaluation by the supervising faculty are required.

**COMM 370 The Video Project (3 Credit Hours)**
A studio course that presents an opportunity for the student to produce digital video content. This is a hands-on course which is organized to allow the student to experience the entire process of developing a project for the camera from scripting through filming to editing and finishing detail.

**COMM 372T Introduction to New Media Technologies (3 Credit Hours)**
Introduction to new media practices and theories. Focuses upon the powers of composition, networked communities, information management, social networking and identification in digital environments. Students will examine practical applications such as blogging, online mapping and tagging, online collaborative work such as wikis and self composition in online social networks.

**COMM 373 Television Production (3 Credit Hours)**
This course explores the basic process of producing television from script to presentation.

**COMM 374 Television Production (3 Credit Hours)**
This course exposes students to conventional and alternative approaches to reporting in public journalism. Students use a combination of conventional and alternative approaches as they research, interview, and construct a story on a local community issue or concern.

**COMM 375 Documentary Production 1 (3 Credit Hours)**
This course offers the student an opportunity to explore the world of documentary filmmaking. Students will perform research to develop evidence in support of a thesis, then utilize the camera to capture a narrative story based on the thesis. Through this process, the student is better able to understand documentary filmmaking. Students will develop and deliver short documentary films by the end of the semester.

**COMM 376 Internship (1-3 Credit Hours)**
A structured work experience with or without remuneration, in an appropriately related disciplinary field. An ePortfolio, 150 hours of site work, plus satisfactory evaluations by supervisor and cooperating faculty member are required. Available for pass/fail grading only. Available to Communication, Theatre, and Dance majors and minors only. Cross-listed with DANC 368 and THEA 368.

**COMM 377T Internship (1-3 Credit Hours)**
A structured work experience with or without remuneration, in an appropriately related disciplinary field. An ePortfolio, 150 hours of site work, plus satisfactory evaluations by supervisor and cooperating faculty member are required. Available for pass/fail grading only. Available to Communication, Theatre, and Dance majors and minors only. Cross-listed with DANC 368 and THEA 368.

**COMM 378 Research Practicum (3 Credit Hours)**
A structured research experience, under the supervision of communication faculty member. A paper evaluating/analyzing the research, a log of research progress, and satisfactory evaluation by the supervising faculty are required.

**COMM 379 Television Production (3 Credit Hours)**
This course exposes students to conventional and alternative approaches to reporting in public journalism. Students use a combination of conventional and alternative approaches as they research, interview, and construct a story on a local community issue or concern.

**COMM 380 Documentary Production 1 (3 Credit Hours)**
This course offers the student an opportunity to explore the world of documentary filmmaking. Students will perform research to develop evidence in support of a thesis, then utilize the camera to capture a narrative story based on the thesis. Through this process, the student is better able to understand documentary filmmaking. Students will develop and deliver short documentary films by the end of the semester.
COMM 382 Reporting News for Television and Digital Media (3 Credit Hours)
This course focuses on writing for television news and producing online news reports. Students will strengthen their journalistic skills and learn the importance of writing clearly for a viewing audience while working under newsroom deadlines. By the end of the course, students should feel confident in producing accurate, detailed reports for television news and online news sites.
Prerequisites: ENGL 110C and ENGL 211C

COMM 383 Directing the Actor (3 Credit Hours)
This course is designed as a practical guide for directors to elicit strong performances from the actors who tell their stories. The class will establish vocabulary and practice techniques that are equally applicable to work in film or theatre. Ideally, the course will encourage students to think beyond genre as they create work that is both dramatically and humanly compelling.
Prerequisites: COMM 271 or THEA 271 or DANC 271 or THEA 152R

COMM 385 Cinematography (3 Credit Hours)
Introduces students to cinematography. The course explores camera technique, blocking actors, lighting, and cinematography fundamentals. The concepts of the course are applied to fiction and nonfiction cinema. This is a production class.
Prerequisites: THEA 271 or COMM 271 or DANC 271 with grade of C or higher

COMM 386 Avid Media Composer MC101 & MC110 (3 Credit Hours)
This course is presented in conjunction with Avid Technologies, for which ODU is an Avid Learning Partner. It will cover post-production techniques for video editing utilizing Avid Media Composer. Students will learn how to properly import and organize material, edit and apply effects inside the timeline, and output deliverables. At the conclusion of the course, students will test to become an Avid Certified User for Media Composer.
Prerequisites: COMM 342 or THEA 342 or COMM 358 or THEA 358

COMM 387 TV News Production (3 Credit Hours)
This course is designed to provide students with an introduction to the reporting, writing, and production aspects of a television news program. Students will learn how to create 15- and 30-minute news broadcasts by developing story ideas and news gathering. Students will also learn the intricacies of shooting and editing video along with the production process involved in recording a live news broadcast. Each student will spend time both in front of and behind the television studio cameras. The goal of this course is to produce weekly news programs worthy of broadcast on local television. Students will assume the roles of reporter, writer, producer, floor director, photojournalist, videographer, technician, and more.
Prerequisites: COMM 271 or THEA 271 or DANC 271
Pre- or corequisite: COMM 382 or ENGL 382

COMM 388 Motion Picture Aesthetics (3 Credit Hours)
This course is designed to develop within students a heightened and multifaceted awareness and appreciation for aesthetics of a particular type - motion picture aesthetics. Aesthetic considerations impact us intellectually, emotionally, psychologically, and viscerally. Professionals most definitely employ a language to filmmaking. One must learn the language of motion picture production and aesthetic design in order to convey concepts to their audiences.
Prerequisites: COMM 270A or THEA 270A

COMM 389 Sound Recording and Mixing for Film (3 Credit Hours)
This course will explore the best concepts in recording, editing and mixing audio for film and post-production. Students will be using Pro Tools hands-on to sync and mix audio to picture. Topics will include location audio, sound design, ADR, mixing, and more.
Prerequisites: COMM 271 or THEA 271 or DANC 271

COMM 395 Topics in Communication (1-3 Credit Hours)
A study of selected topics designed for non-majors, or for elective credit within a major. These courses will appear in the course schedule, and will be more fully described in information distributed to all academic advisors.
Prerequisites: Junior standing and permission of the instructor

COMM 396 Topics in Communication (1-3 Credit Hours)
A study of selected topics designed for nonmajors, or for elective credit within a major. These courses will appear in the course schedule, and will be more fully described in information distributed to all academic advisors.
Prerequisites: Junior standing and permission of the instructor

COMM 400W/S500 Intercultural Communication (3 Credit Hours)
This course is designed to introduce students to the study of communication in cultural contexts, the purpose of which is to prepare one to live and work within an increasingly multicultural world. This is accomplished by defining and critically analyzing concepts of culture. Throughout the semester, the course will investigate theories of culture and communication that address the development of cultural identity, intercultural communication competence, the role of verbal and nonverbal communication across cultures, the cultural composition of the U.S., and ethical communication and challenge in a globalized era. This is a writing intensive course.
Prerequisites: COMM 200S and a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, or permission of instructor

COMM 401/501 Communication Theory (3 Credit Hours)
An overview of general and contextual theories of communication. Focus is on the nature of communication theory, the role of theory in communication inquiry, and the relationships among theory, research, and practice.
Prerequisites: COMM 200S or permission of the instructor

COMM 403/503 Public Relations and Crisis Communications (3 Credit Hours)
This course introduces students to the basic elements of public relations as it pertains to assisting organizations avoid, mitigate and recover from crisis situations. Students will have the opportunity to both observe and participate in crisis communications situations.
Prerequisites: COMM 303 or permission of instructor

COMM 404/504 Strategic Communications and Emergency Management (3 Credit Hours)
This course introduces students to the multi-layered challenges associated with communication in the event of accidents, crises and natural disasters. In addition to incorporating basic elements of public relations as it pertains to assisting organizations avoid, mitigate and recover from external crisis situations, students will have the opportunity to both observe and participate in crafting multi-agency responses to these unplanned events.
Prerequisites: COMM 303 or permission of the instructor

COMM 405/505 Communication and Culture in the Middle East (3 Credit Hours)
The course examines the tensions between modernity and tradition in the context of Middle East culture. Cultural variables for study include myth and religion, family structures and the use of science and technology.
Prerequisites: Six hours of lower-level social science course work

COMM 407/507 Communication and Culture in Asia (3 Credit Hours)
Course provides theoretical models for examining the values, communication patterns and cultural perspectives of the peoples of Asia. Films, folklore, newspapers and literature from Asia are investigated.
Prerequisites: Six hours of lower level social science course work

COMM 408 Health Communication (3 Credit Hours)
This course provides an overview of contemporary scholarship on phenomena within the scope of interpersonal health communication. Students will become familiar with fundamental communication processes that are involved in the interprofessional management of physical and mental health. Additionally, students will develop an awareness of how communication among friends, family members, professionals, and others influences people's well-being, and how, in turn, health and illness shape communication and relationship dynamics.
Prerequisites: COMM 200S
COMM 412W/512 Interpersonal Communication Theory and Research (3 Credit Hours)
A survey of classic and contemporary theories and research of communication in personal and social relationships across the lifespan. Emphasizes communication as a means to facilitate conditions for development of positive relational outcomes. This is a writing intensive course.
Prerequisites: COMM 200S and ENGL 211C or ENGL 221C or ENGL 231C with a grade of C or better

COMM 421/521 Communication and Conflict Management (3 Credit Hours)
Focus on theory and research of communication processes in conflict episodes across social and personal relational contexts. Applications of communication approaches to conflict management emphasized.
Prerequisites: Junior standing and COMM 200S or permission of the instructor

COMM 422/522 Listening to Self, Others, Nature and the Divine (3 Credit Hours)
The listening course introduces students to: 1) Practices for exploring and developing listening competencies, 2) Theoretical perspectives and models of listening, and 3) Research on listening. Practice, theory, and research are all integrated across the contexts of self, others, nature, and the divine.
Prerequisites: Junior Standing

COMM 423/523 Nonviolent Communication and Peace (3 Credit Hours)
Perspectives on nonviolent communication and peace are covered from the micro level (e.g., individual beliefs and worldviews) to interpersonal relationships (e.g., conflict management), groups (e.g., tribes, gangs), organizational systems (e.g., businesses, governments), and macro or global level (e.g., political relationships between nations).
Prerequisites: Junior Standing

COMM 424/524 Communicating Love (3 Credit Hours)
This course investigates the history, types, characteristics, functions, and applications of love in everyday life, emphasizing the communication of altruist/compassionate/agape love in four interrelated contexts: self, spirit, others, and creation. Theory, research, and applications of love will be explored within the spiritual, scientific, and dialogic (the conversation between science and spirit) perspectives.
Prerequisites: Junior standing

COMM 425/525 Family Communication Theory and Research (3 Credit Hours)
A survey of classic and contemporary theories and research of communication in family units, family relationships, and family interfacings with society. The course emphasizes communication in the social construction of evolving 'family' realities as well as communication as means to facilitate conditions for development of positive domestic outcomes.
Prerequisites: Junior standing and COMM 200S or permission of the instructor

COMM 427/527 Children’s Communication Theory and Research (3 Credit Hours)
A survey of theories and research of communication during childhood. Emphasis is on children as developing communicators, their relationships, and their interactions with media. Factors affecting optimal development of children's communication and development of applications to enhance children's communication development are emphasized.
Prerequisites: COMM 200S or permission of instructor

COMM 430 TV Screenwriting (3 Credit Hours)
This course concentrates on the development and delivery of industry standard one-hour long TV scripts and the associated script 'bible.' Students will study sample scripts from broadcast TV programs and develop their own spec scripts. Cross-listed with THEA 430.
Prerequisites: COMM 346 or THEA 346

COMM 433 Capstone (3 Credit Hours)
This capstone course requires students to exhibit knowledge from disciplinary curricula. Students will review an informed snapshot of current topics, methods and research within the communication discipline. Students will demonstrate communication competency through the development of a relevant final project (with required research).
Prerequisites: Senior in good academic standing, COMM 200S, COMM 260, COMM 301 or COMM 302, and completion of the writing intensive course in the major

COMM 434/534 African-American Rhetoric Voices of Liberation (3 Credit Hours)
With the goals of examining the rhetorical strategies and their historical context, students will study and critique original speeches and various forms of discourse by African-American speakers.
Prerequisites: COMM 200S or permission of the instructor

COMM 439 WHRO Production (3 Credit Hours)
This is an experiential style course in the art and business of documentary production in the hands-on, professional environment of WHRO, which operates Hampton Roads’ PBS affiliate TV station as well as two public radio stations. Students will be guided through the production of content for WHRO by an ODU faculty member and the WHRO staff. Cross-listed with THEA 439.
Prerequisites: COMM 271 or THEA 271 or DANC 271
Pre- or corequisite: COMM 380/TEHA 380 or COMM 383/TEHA 383 or COMM 385/TEHA 385 or COMM 386/TEHA 386 or COMM 387/TEHA 387 or COMM 389/TEHA 389 or COMM 446/TEHA 446

COMM 440 Documentary Filmmaking Study Abroad (3 Credit Hours)
This is an in-the-field study abroad course where students will, in small groups, produce a short documentary film about a local NGO (Non-Governmental Organization) creating positive change in the local community.
Prerequisites: COMM 271 or THEA 271 or DANC 271 with a grade of C or higher

COMM 441 The Music Industry and Communication (3 Credit Hours)
This course will seek to better understand the music industry. To do this, the organization and operation of the modern music industry will be examined. Issues of publishing, copyright and intellectual property and technology will also be examined.
Prerequisites: COMM 260 or permission of instructor

COMM 442 Media Spaces (3 Credit Hours)
This course explores the geographic dimensions of media, considering how issues of space and place intersect with the production and consumption of different forms of media. Emphasis on the production in the hands-on, professional environment of WHRO, which operates Hampton Roads’ PBS affiliate TV station as well as two public radio stations. Students will be guided through the production of content for WHRO by an ODU faculty member and the WHRO staff. Cross-listed with THEA 439.
Prerequisites: COMM 271 or THEA 271 or DANC 271 with a grade of C or higher

COMM 443 Capstone (3 Credit Hours)
This capstone course requires students to exhibit knowledge from disciplinary curricula. Students will review an informed snapshot of current topics, methods and research within the communication discipline. Students will demonstrate communication competency through the development of a relevant final project (with required research).
Prerequisites: Senior in good academic standing, COMM 200S, COMM 260, COMM 301 or COMM 302, and completion of the writing intensive course in the major

COMM 444 German Cinema I (3 Credit Hours)
The first half of the 20th century was the most creative and destructive period in German and European history. Its rich cultural achievements included Viennese psychoanalytical theory of the turn of the century, Art Nouveau, German Expressionism, and the avant garde aesthetics of the Weimar Republic. Conversely, World War I and II exposed the cultural agony and human depravity of modern civilization. This course will trace these various aspects and developments in a variety of exemplary genres.
Prerequisites: COMM 270A or permission of the instructor
COMM 445/545 Communication Analysis and Criticism (3 Credit Hours)
A survey of the key methods used in critiquing various forms of human and mediated communication for the purpose of becoming more discerning consumers of public and mass mediated messages. Analysis will include films, television, and radio programs, advertisements, newspapers, public discourses, speeches, and conversations.
Prerequisites: COMM 200S or permission of the instructor

COMM 446 Directing for the Camera (3 Credit Hours)
This course seeks to provide students with fundamental principles and practical techniques of directing the narrative fiction film: script development and analysis, production planning, shot composition and framing, and working with actors and crew.
Prerequisites: COMM 383 or THEA 383 with a grade of C or higher

COMM 447W/547 Electronic Media Law and Policy (3 Credit Hours)
This course focuses on legal and policy issues related to modern media systems and technologies, with an emphasis on legal considerations of electronic media. Topics include First Amendment issues concerning news, programming, and advertising; station licensing; and challenges to traditional legal thought brought about by new technologies. This is a writing intensive course.
Prerequisites: COMM 260 and a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, or permission of the instructor

COMM 448/548 Transnational Media Systems (3 Credit Hours)
An examination of the rise of broadcast technology and world flow of information and entertainment. Theory and policy issues of systems of broadcast ownership, access, regulation, programming, transborder, broadcasting and cultural imperialism and dominance of Western programming will be addressed.
Prerequisites: COMM 260 or permission of the instructor

COMM 453 Voice Over (3 Credit Hours)
This course is for students who are interested in the field of voice over for commercials, narration, industrials, animation, Internet, and gaming. Students will practice voicing copy using acting techniques, vocal techniques, building characters, and analyzing copy. Students will learn to select, edit and prepare copy for a future demo and learn to perform cold voice over auditions. This is a performance-oriented course that is a workout session each day. Crosslisted with THEA 453.
Prerequisites: Junior standing or permission of instructor

COMM 454 Strategic Communications Case Studies (3 Credit Hours)
Strategic communications is best learned by doing, including researching what has worked and what hasn't worked in strategies and tactics conducted by other professionals. This course will introduce students to a series of case studies organized thematically, grounding the knowledge gained in COMM 303 and allowing students to apply that knowledge to contemporary industries and cases of their own choosing.
Prerequisites: COMM 303 or permission of the instructor

COMM 455/555 Critical Analysis of Journalism (3 Credit Hours)
A critical examination of the news industry as practiced in the printed press, network and cable television, magazines, the Internet, and alternative press. Class examines the political economy of journalism, the sociology of journalistic practice, international news flows, ideological/political control of news, and mythological narrative forms within news.
Prerequisites: COMM 260 or permission of instructor

COMM 456/556 Organizations and Social Influence (3 Credit Hours)
Focuses on theories, research and applications of the social influence function of communication in a variety of organizational contexts. Examines traditional and nontraditional social influence theories and research as applied to organizational change.
Prerequisites: COMM 333 or COMM 355 or permission of the instructor

COMM 457/557 Market Research (3 Credit Hours)
The foundation of any successful strategic communications, from marketing to public relations to advertising, is research. This course introduces students to secondary and primary research methods in an applied way, having students actually design and conduct full research studies for a client in the community. Students will discuss and conduct various forms of market research (situation, stakeholder, and competitor), explaining how it is integral to strategic thinking and responsible growth in order to directly prepare them for work in the field.
Prerequisites: COMM 303 or permission of the instructor

COMM 460/560 Social Marketing (3 Credit Hours)
Social marketing, the process through which communications professionals attempt to introduce, reinforce, or augment social change through theories and practices of marketing, is a growing field with implications ranging from social entrepreneurship to international relations to community resiliency. This course will introduce the theories of social marketing, applying them through collaborations with a local organization or cause. Students will focus on a practical approach to constructing a brand through communication strategy and media tactics, and how those relate to constructing and maintaining the identity of a larger organization while also promoting social benefit.
Prerequisites: COMM 303

COMM 461/561 Arts Administration (3 Credit Hours)
This course is an examination of the arts institutions, issues, and forces that shape the contemporary arts world including artists' rights, public art, corporate support, censorship, and multiculturalism. The course will cover Community Involvement, Collaborative Processes and Civil Societies, Theory and Practice of Planning, Public and Non-Profit Management, Organizational Behavior, Labor Management Relations, and Entrepreneurial Leadership.
Prerequisites: Senior standing

COMM 462/562 Sport and Strategic Communication (3 Credit Hours)
A survey of sport media and strategic communications. This course will expose students to the sport media industry, emphasizing the communications process in various mediums used to convey messages. The internal and external publics involved in sport public relations will be examined, along with the steps involved in the process, particularly the strategic communication planning process.
Prerequisites: COMM 303

COMM 469 Communication Education Practicum (3 Credit Hours)
An examination of communication education theory and methodology via structured experiences and readings. Students taking this course serve as teaching assistants for COMM 200S, which serves as a lab for practicing skills and techniques.
Prerequisites: Completion of core courses and 6 hours of upper-level major courses, and approval of supervising faculty and department chair

COMM 470 History of Television (3 Credit Hours)
This course is designed to introduce students to the major theories and perspectives that inform the ways media audiences are made meaningful to the creation, distribution, promotion, regulation, and evaluation of media and popular culture.
Prerequisites: COMM 260

COMM 471W/571 International Film History (3 Credit Hours)
An examination of world cinema as a technology, a business, an institution, and an art form from its inception to the present. Emphasis is on the narrative fiction film, its technological and aesthetic development, economic organization, and socio-cultural context. Representative classic and contemporary works will be screened and analyzed. This is a writing intensive course.
Prerequisites: COMM 270A or THEA 270A, a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, and junior standing or permission of the instructor

</thead>
<tbody>
<tr>
<td>COMM 472/572 New Media Topics: Theories and Practices</td>
<td>3 Credit Hours</td>
<td>This upper-division seminar investigates one or two particular emergent new media practices and theories. The topics will be chosen at the discretion of the instructor but may include issues such as 'mobile media,' 'micro media and audiences,' and 'social media.'</td>
<td>COMM 372T or permission of the instructor</td>
</tr>
<tr>
<td>COMM 473/573 Television and Society</td>
<td>3 Credit Hours</td>
<td>The role of television in the cultural, psychological, and economic life of America. The structure and design of television programs; and the history and function of television in reinforcing or altering public perceptions of ideas, events, and people. Major critical approaches are employed in examining television's social impact and global reach.</td>
<td>Junior standing and COMM 260</td>
</tr>
<tr>
<td>COMM 474 Reality Television</td>
<td>3 Credit Hours</td>
<td>In the past two decades, reality television has become television's most replicated genre, documenting real people in 'real' situations across broadcast, cable, and streaming outlets. This class investigates the historical, cultural, and industrial logics that govern the rise of reality TV, exploring how the genre intersects with issues of race, gender, sexuality, and class, and asking students to apply their understanding of the genre to detailed analysis of its ongoing efforts to capture the complexities of everyday life.</td>
<td>COMM 260</td>
</tr>
<tr>
<td>COMM 475 Superheroes and US Media</td>
<td>3 Credit Hours</td>
<td>This course introduces students to the cultural, industrial, and legal structures that shape how superheroes move across media platforms and are integrated into consumer lives.</td>
<td>COMM 260</td>
</tr>
<tr>
<td>COMM 476 Manly TV</td>
<td>3 Credit Hours</td>
<td>This course explores how ideas about manhood and masculinity have been negotiated through television representations in different eras and how those ideas influence social norms.</td>
<td>COMM 260</td>
</tr>
<tr>
<td>COMM 477 Children's Media and Culture</td>
<td>3 Credit Hours</td>
<td>This course explores debates about appropriate media consumption and play options for educating and raising children at different historical junctures and how they respond to shifting ideas and ideals about childhood.</td>
<td>COMM 260</td>
</tr>
<tr>
<td>COMM 478/578 Media Marketing and Promotion</td>
<td>3 Credit Hours</td>
<td>This course introduces students to the ways in which different media forms are used for advertising and marketing purposes. Emphasis is on electronic media, though other approaches, such as direct marketing techniques and the increasing use of new media technologies for marketing, are also examined.</td>
<td>Junior standing and COMM 260 or permission of the instructor</td>
</tr>
<tr>
<td>COMM 479W/579 American Film History</td>
<td>3 Credit Hours</td>
<td>An examination of American motion pictures as an art form, a business and an institution from inception to the present. Primary attention is accorded to the narrative fiction film, its aesthetic and technological development, economic organization and social impact. This course highlights the many connections between film history and American culture. This is a writing intensive course.</td>
<td>COMM 270A or THEA 270A, a grade of C or better in ENGL 211C or ENGL 221C or ENGL 231C, and junior standing or permission of the instructor</td>
</tr>
<tr>
<td>COMM 480/580 Documentary Production II</td>
<td>3 Credit Hours</td>
<td>Students will continue the work performed in COMM 380 with more advanced proposals, research, and production work.</td>
<td>COMM 380 or THEA 380</td>
</tr>
<tr>
<td>COMM 481/581 The Documentary Tradition</td>
<td>3 Credit Hours</td>
<td>An in-depth investigation of the history and theory of the documentary tradition in film, television, and radio. Examining both American and international examples, the course will look at major schools, movements, goals, and styles of documentary production. Representative texts will be studied for their socio-political influences, persuasive techniques, and aesthetic formulas.</td>
<td>COMM 260 or permission of instructor</td>
</tr>
<tr>
<td>COMM 482 Screenwriting II</td>
<td>3 Credit Hours</td>
<td>Students will explore storytelling for cinema through screenplay analysis, scene study, character development, narrative structure, and story development. This upper-level, hands-on course applies a range of screenwriting principles to writing exercises, critique, and construction of the first half of a feature-length screenplay.</td>
<td>COMM 260 or permission of instructor</td>
</tr>
<tr>
<td>COMM 483 Advanced Video Project</td>
<td>3 Credit Hours</td>
<td>This is an intensive capstone course in film production. Students experience pre-production, production, and post-production phases while creating a product to be entered in regional and national competitions.</td>
<td>COMM 383 or THEA 383</td>
</tr>
<tr>
<td>COMM 484/584 Strategic Media Design and Production</td>
<td>3 Credit Hours</td>
<td>This course is designed to extend students' knowledge of the media elements of strategic communications, from graphics to images to video. Students will discuss how to ground creative production in strategy for a client, how to focus on content and storytelling for a specific stakeholder, and how to create an extended, coherent plan using both creative and organizational goals. This is not intended to make students 'creative' but instead to show students how to design, direct, and manage the work that a media production team might do.</td>
<td>COMM 303 or permission of the instructor</td>
</tr>
<tr>
<td>COMM 485/585 Film and Television Genres</td>
<td>3 Credit Hours</td>
<td>This course is designed to examine the conventions and meanings of various film and television genres within their broader aesthetic, socio-historical, cultural, and political contexts. Each time the class is offered it will focus in depth on a different genre, such as the gangster, the Western, the musical, the comedy, science fiction, among others. Class may be repeated for credit as long as the genres are different.</td>
<td>COMM 270A or THEA 270A or COMM 260</td>
</tr>
<tr>
<td>COMM 486/586 Advanced Filmmaking</td>
<td>3 Credit Hours</td>
<td>This course offers students an opportunity to collaborate on a faculty led project beyond the scope of typical classroom projects. Students will execute an assigned duty for the duration of the semester.</td>
<td>permission of the instructor</td>
</tr>
<tr>
<td>COMM 487 Advanced TV News Production</td>
<td>3 Credit Hours</td>
<td>This course is designed to provide students with advanced instruction in reporting, writing, and production for a television news program. Students will take on important roles in 15- and 30-minute news broadcasts and refine their skills in shooting and editing video. The goal of this course is to produce weekly news programs worthy of broadcast on local television. Students will receive significant experience in front of the camera as news, sports, and entertainment anchors/reporters as well as leadership positions in the television studio during the live broadcasts.</td>
<td>COMM 387, THEA 387 or ENGL 387</td>
</tr>
<tr>
<td>COMM 488 Introduction to Critical Race and Media Studies</td>
<td>3 Credit Hours</td>
<td>In this course, students examine how media culture - both historic and contemporary - contribute to the intersectional production of race in the United States. A guiding question will be: How do media and popular culture - as texts, practices, industries, and sites of identity formation and pleasure - construct race? Although students will theorize the politics of representation, they will also work to situate texts within a larger historic, political, and discursive context in order to assess the type of cultural work they perform.</td>
<td>COMM 260</td>
</tr>
</tbody>
</table>
COMM 497/597 Tutorial Work in Special Topics in Communication (1-3 Credit Hours)
Independent reading and study on a topic to be selected under the direction of an instructor. Conferences and papers as appropriate.
Prerequisites: Senior standing and approval of the department chair

COMM 498/598 Tutorial Work in Special Topics in Communication (3 Credit Hours)
Independent reading and study on a topic to be selected under the direction of an instructor. Conferences and papers as appropriate.
Prerequisites: Senior standing and approval of the department chair

COMM 500 Intercultural Communication (3 Credit Hours)
This course is designed to introduce students to the study of communication in cultural contexts, the purpose of which is to prepare students to live and work within an increasingly multicultural world. This is accomplished by first defining and critically analyzing concepts of culture. Throughout the semester, the course will investigate theories of culture and communication that address the development of cultural identity, intercultural communication competence, the role of verbal and nonverbal communication across cultures, the cultural composition of the U.S., and finally ethical communication and challenges in a globalized era.

COMM 501 Communication Theory (3 Credit Hours)
An overview of general and contextual theories of communication. Focus is on the nature of communication theory, the role of theory in communication inquiry, and the relationships among theory, research, and practice.

COMM 503 Public Relations and Crisis Communications (3 Credit Hours)
This course introduces students to the basic elements of public relations as it pertains to assisting organizations avoid, mitigate and recover from crisis situations. Students will have the opportunity to both observe and participate in crisis communications situations.

COMM 504 Strategic Communications and Emergency Management (3 Credit Hours)
This course introduces students to the multi-layered challenges associated with communication in the event of accidents, crises and natural disasters. In addition to incorporating basic elements of public relations as it pertains to assisting organizations avoid, mitigate and recover from external crisis situations, students will have the opportunity to both observe and participate in crafting multi-agency responses to these unplanned events.

COMM 505 Communication and Culture in the Middle East (3 Credit Hours)
The course examines the tensions between modernity and tradition in the context of Middle East culture. Cultural variables for study include myth and religion, family structures and the use of science and technology.

COMM 507 Communication and Culture in Asia (3 Credit Hours)
This course provides theoretical models for examining the values, communication patterns and cultural perspectives of the peoples of Asia. Films, folklore, newspapers and literature from Asia are investigated.

COMM 512 Interpersonal Communication Theory and Research (3 Credit Hours)
A survey of classic and contemporary theories and research of communication in personal and social relationships across the lifespan. Emphasizes communication as a means to facilitate conditions for development of positive relational outcomes.

COMM 521 Communication and Conflict Management (3 Credit Hours)
Focus on theory and research of communication processes in conflict episodes across social and personal relational contexts. Applications of communication approaches to conflict management are emphasized.

COMM 522 Listening to Self, Others, Nature, & the Divine (3 Credit Hours)
The listening course introduces students to: 1) Practices for exploring and developing listening competencies, 2) Theoretical perspectives and models of listening, and 3) Research on listening. Practice, theory, and research are all integrated across the contexts of self, others, nature, and the divine.
Prerequisites: Graduate standing
COMM 523 Nonviolent Communication and Peace (3 Credit Hours)
Perspectives on nonviolent communication and peace are covered from the micro level (e.g., individual beliefs and worldviews) to interpersonal relationships (e.g., conflict management), groups (e.g., tribes, gangs), organizational systems (e.g., businesses, governments), and macro or global level (e.g., political relationships between nations).

COMM 524 Communicating Love (3 Credit Hours)
This course investigates the history, types, characteristics, functions, and applications of love in everyday life, emphasizing the communication of altruistic/passionate/agape love in four interrelated contexts: self, spirit, others, and creation. Theory, research, and applications of love will be explored within the spiritual, scientific, and dialogic (the conversation between science and spirit) perspectives.

COMM 525 Family Communication Theory and Research (3 Credit Hours)
A survey of classic and contemporary theories and research of communication in family units, family relationships, and family interfacing with society. The course emphasizes communication in the social construction of evolving "family" realities as well as communication as means to facilitate conditions for development of positive domestic outcomes.

COMM 527 Children's Communication Theory and Research (3 Credit Hours)
A survey of theories and research of communication during childhood. Emphasis is on children as developing communicators, their relationships, and their interactions with media. Factors affecting optimal development of children's communication and development of applications to enhance children's communication development are emphasized.

COMM 534 African-American Rhetoric Voices of Liberation (3 Credit Hours)
With the goals of examining the rhetorical strategies and their historical context, students will study and critique original speeches and various forms of discourse by African-American speakers.

COMM 543 Hispanic Film (3 Credit Hours)
A topical study of the major works of Spanish and Latin American film from Bunuel to the present. The course explores many issues, including those related to gender, race, symbolism, and class struggle.

Prerequisites: COMM 270A or THEA 270A or permission of instructor

COMM 544 German Cinema I (3 Credit Hours)
The first half of the 20th century was the most creative and destructive period in German and European history. Its rich cultural achievements included Viennese psychoanalytical theory of the turn of the century, Art Nouveau, German Expressionism, and the avant garde aesthetics of the Weimar Republic. Conversely, World War I and II exposed the cultural agony and human depravity of modern civilization. This course will trace these various aspects and developments in a variety of exemplary genres. Readings and discussions in German. (Cross-listed with WCS 445/WCS 545 and GER 445/GER 545)

COMM 545 Communication Analysis and Criticism (3 Credit Hours)
A survey of the key methods used in critiquing various forms of human and mediated communication for the purpose of becoming more discerning consumers of public and mass mediated messages. Analysis will include films, television, and radio programs, advertisements, newspapers, public discourses, speeches, and conversations.

COMM 547 Electronic Media Law and Policy (3 Credit Hours)
This course focuses on legal and policy issues related to modern media systems and technologies, with an emphasis on legal considerations of electronic media. Subjects include First Amendment issues concerning news, programming, and advertising; station licensing; and challenges to traditional legal thought brought about by new technologies.

COMM 548 Transnational Media Systems (3 Credit Hours)
An examination of the rise of broadcast technology and world flow of information and entertainment. Theory and policy issues of systems of broadcast ownership, access, regulation, programming, transborder, broadcasting and cultural imperialism and dominance of Western programming will be addressed.

COMM 555 Critical Analysis of Journalism (3 Credit Hours)
A critical examination of the news industry as practiced in the printed press, network and cable television, magazines, the Internet, and alternative press. Class examines the political economy of journalism, the sociology of journalistic practice, international news flows, ideological/political control of news, and mythological narrative forms within news.

COMM 556 Organizations and Social Influence (3 Credit Hours)
Focuses on theories, research and applications of the social influence function of communication in a variety of organizational contexts. Examines traditional and nontraditional social influence theories and research as applied to organizational change.

COMM 557 Market Research (3 Credit Hours)
The foundation of any successful strategic communications, from marketing to public relations to advertising, is research. This course introduces students to secondary and primary research methods in an applied way, having students actually design and conduct full research studies for a client in the community. Students will discuss and conduct various forms of market research (situation, stakeholder, and competitor), explaining how it is integral to strategic thinking and responsible growth in order to directly prepare them for work in the field.

COMM 560 Social Marketing (3 Credit Hours)
Social marketing, the process through which communications professionals attempt to introduce, reinforce, or augment social change through theories and practices of marketing, is a growing field with implications ranging from social entrepreneurship to international relations to community resiliency. This course will introduce the theories of social marketing, applying them through collaborations with a local organization or cause. Students will focus on a practical approach to constructing a brand through communication strategy and media tactics, and how those relate to constructing and maintaining the identity of a larger organization while also promoting social benefit.

COMM 561 Arts Administration (3 Credit Hours)
This course is an examination of the arts institutions, issues, and forces that shape the contemporary arts world including artists' rights, public art, corporate support, censorship, and multiculturalism. The course will cover Community Involvement, Collaborative Processes and Civil Societies, Theory and Practice of Planning, Public and Non-Profit Management, Organizational Behavior, Labor Management Relations, and Entrepreneurial Leadership.

COMM 562 Sport and Strategic Communication (3 Credit Hours)
A survey of sport media and strategic communications. This course will expose students to the sport media industry, emphasizing the communications process in various mediums used to convey messages. The internal and external publicity involved in sport public relations will be examined, along with the steps involved in the process, particularly the strategic communication planning process.

Prerequisites: COMM 303

COMM 571 International Film History (3 Credit Hours)
An examination of world cinema as a technology, a business, an institution, and an art form from inception to the present. Emphasis is on the narrative fiction film, its technological and aesthetic development, economic organization, and socio-cultural context. Representative classic and contemporary works will be screened and analyzed.

COMM 572 New Media Topics: Theories and Practices (3 Credit Hours)
This seminar investigates one or two particular emergent new media practices and theories. The topics will be chosen at the discretion of the instructor but may include issues such as 'mobile media,' 'micro media and audiences,' and 'social media.'

COMM 573 Television and Society (3 Credit Hours)
The role of television in the cultural, psychological, and economic life of America. The structure and design of television programs; and the history and function of television in reinforcing or altering public perceptions of ideas, events, and people. Major critical approaches are employed in examining television's social impact and global reach.
COMM 578 Media Marketing and Promotion (3 Credit Hours)
This course introduces students to the ways in which different media forms are used for advertising and marketing purposes. Emphasis is on electronic media, though other approaches, such as direct marketing techniques and the increasing use of new media technologies for marketing, are also examined.

COMM 579 American Film History (3 Credit Hours)
An examination of American motion pictures as an art form, a business and an institution from inception to the present. Primary attention is accorded to the narrative fiction film, its technological and aesthetic development, economic organization and social impact. This course highlights the many connections between film history and American culture.

COMM 580 The Video Documentary II (3 Credit Hours)
Discussion/presentation topics range from production field work to post-production editing. The final third of the semester will be devoted to compiling the rough footage in post production.

COMM 581 The Documentary Tradition (3 Credit Hours)
An in-depth investigation of the history and theory of the documentary tradition in film, television, and radio. Examining both American and international examples, the course looks at major schools, movements, goals, and styles of documentary production. Representative texts will be studied for their socio-political influences, persuasive techniques, and aesthetic formulas.

COMM 584 Strategic Media Design and Production (3 Credit Hours)
This course is designed to extend students’ knowledge of the media elements of strategic communications, from graphics to images to video. Students will discuss how to ground creative production in strategy for a client, how to focus on content and storytelling for a specific stakeholder, and how to create an extended, coherent plan using both creative and organizational goals. This is not intended to make students ‘creative’ but instead to show students how to design, direct, and manage the work that a media production team might do.

COMM 585 Film and Television Genres (3 Credit Hours)
This course is designed to examine the conventions and meanings of various film and television genres within their broader aesthetic, socio-historical, cultural, and political contexts. Each time the class is offered it will focus in depth on a different genre, such as the gangster, the Western, the musical, the comedy, science fiction, among others. Class may be repeated for credit as long as the genres are different.

COMM 586 Advanced Filmmaking (3 Credit Hours)
This course offers students an opportunity to collaborate on a faculty led project beyond the scope of typical classroom projects. Students will execute an assigned duty for the duration of the semester.

Prerequisites: Permission of the instructor

COMM 589 Health and Interpersonal Communication (3 Credit Hours)
This course is designed to give an overview of contemporary scholarship on phenomena within the scope of interpersonal health communication.

COMM 590 Advanced Strategic Communications (3 Credit Hours)
In this course, students gain hands-on experience working with clients in an agency setting in which they not only work directly with clients, but are also given credit for learning new tools and software to build their portfolios. The first semester a student takes the course, they take a "junior" role where they are learning about and the process of working with their client. Repeat students take more senior roles, where they interface more extensively with the client and become leaders of teams of students and of bigger projects with more responsibility. The tools/software they learn will change each semester, as will their client, making the course a different experience each time and allowing them to grow into leadership positions that will transition well into project manager or creative director roles outside the university.

COMM 591 Communication and Activism (3 Credit Hours)
This course will delve into activism and social change from a local and global perspective in order to enhance students’ perspectives of social change as it manifests via popular media and community action.

COMM 595 Topics in Communication (1-3 Credit Hours)
The advanced study of selected topics designed to permit small groups of qualified students to work on subjects of mutual interest which, due to their specialized nature, may not be offered regularly. These courses will appear in the course schedule, and will be more fully described in information distributed to all academic advisors.

COMM 596 Topics in Communication (1-3 Credit Hours)
The advanced study of selected topics designed to permit small groups of qualified students to work on subjects of mutual interest which, due to their specialized nature, may not be offered regularly. These courses will appear in the course schedule, and will be more fully described in information distributed to all academic advisors.

COMM 597 Tutorial Work in Special Topics in Communication (3 Credit Hours)
Independent reading and study on a topic to be selected under the direction of an instructor. Conferences and papers as appropriate.

COMM 598 Tutorial Work in Special Topics in Communication (3 Credit Hours)
Topic to be selected under the direction of an instructor. Conferences and papers as appropriate.

COMM 600 Intercultural Communication: History, Theory and Application (3 Credit Hours)
Students begin with an overview and then cover (1) past intercultural communication research, (2) the philosophical underpinning and ethics behind intercultural communication research, and (3) current developments in intercultural communication theory. They then address the application of intercultural communication theory in specific intercultural communication contexts (e.g. business, education, health and international travel).

COMM 601 Lifespan Communication Research and Theory (3 Credit Hours)
This course takes a developmental approach to the study of communication by exploring the culminating effects of communication as it evolves across our lifetime. It encompasses all phases of life (birth-death) across interactions within family, work, social, health, and spiritual contexts. The focus is on foundational and contemporary lifespan theories and research.

COMM 602 Digital Communication Theory and Research (3 Credit Hours)
This class looks at emerging theories of new media and their transformative effects on industrial practices, news dissemination, cultural production, social interaction, and political engagement across the lifespan. Students engage in ongoing theoretical debates and participate in various online endeavors that offer real world research opportunities.

COMM 603 Social Change and Communication Systems (3 Credit Hours)
Examines the role of various communication systems in enacting social change involving commercial, governmental and not-for-profit contexts. Topics include persuasive techniques, community engagement, mobilizing large-scale social movements, and the political consequences of human and digital communication across the lifespan.

COMM 604 Lifespan Communication Research Methods (3 Credit Hours)
An overview of social scientific and qualitative methods used in lifespan development communication research. Includes survey, experiment, observations, content and conversation analyses with an emphasis on developmental methods. Approaches to studying communication of children, adolescents, and later life are included.

Prerequisites: COMM 601

COMM 605 Critical Methods and Digital Communication (3 Credit Hours)
This class surveys the major methodological approaches available to critical communication researchers, such as semiology, structuralism, post-structuralism, neo-Marxism, and psychoanalysis, among others, within a cultural studies tradition. Special attention is paid to various digital communication technologies and how they are utilized throughout the lifespan.

Prerequisites: COMM 602
COMM 615 Construction of the Gendered Body (3 Credit Hours)
This course will examine: (1) the nature-nurture controversy as reflected in current theories about gender as a significant factor in the transformation of physical bodies into social bodies, (2) cultural objects and institutions that shape our gender roles and expectations, and (3) nonverbal language and power and the status of the sexes.

COMM 623 Relational Communication Across the Lifespan (3 Credit Hours)
This course explores theories and research of communication in everyday relationships across the lifespan from early childhood relationships until relationships at the end of life. Communication in personal and social relationships, within age cohorts (early childhood, adolescence, adulthood) are highlighted.
Prerequisites: Permission of the instructor

COMM 624 Positive Communication Across the Lifespan (3 Credit Hours)
This course examines communication theories and research in light of the theories and research of positive psychology. Topics include: strengths-based communication theorizing, communication and happiness, positive communication functions, creative communication, and positive communication outcomes (health, wellness, peace, hope).
Prerequisites: Permission of the instructor

COMM 626 Lifespan Communication, Geography, and Food (3 Credit Hours)
This course examines the intersections of communication, geography, and food from lifespan and global perspectives. Topics to be covered include communication and cooking; dinner table talk; food and folk culture; vicarial rituals; the portrayals of food in media (e.g., film, television, CMC, print); the roles of race, class, and gender in food production/consumption; the commercialization of food; fast food and slow food; globalization vs. the 'locavor' movement; visualization and symbolic communication about food and nutrition; and market and supermarket geographies.

COMM 628 Mediated Human Communication in the Digital Age (3 Credit Hours)
This course conceptualizes the relationship established by the processes of human communication that are mediated by new media technologies. The course examines how such technologies affect social relationships, and how cultural values influence usage patterns of these technologies.

COMM 630 The Information Society (3 Credit Hours)
This course explores the theories, questions, claims and myths that have accompanied the rise of new communication technologies and electronically derived digital information that define the 'Electronic Revolution,' also known as the Information Society.

COMM 650 Religious Communication (3 Credit Hours)
The seminar surveys the relationship between communication and religion with an emphasis on theory, research and applications. Topics may include the communication of religious beliefs/values via story, ritual, ceremony, worship, prayer and mediated communications.

COMM 668 Internship (3 Credit Hours)
A structured work experience providing both a conceptual understanding and on-the-job training in some aspect of lifespan and digital communication. A journal, a final paper, a log of hours, a portfolio of work, and a satisfactory evaluation by work supervisor and cooperating faculty member are required.
Prerequisites: COMM 601 or COMM 602

COMM 678 Race and Television (3 Credit Hours)
This course examines the relationships among race, racial identity, and television. Multiple scholarly traditions are used to examine the interactions among television tests, audiences and institution, and historical and contemporary race relations.

COMM 685 Lifespan and Digital Communication Capstone Course (3 Credit Hours)
A capstone seminar for non-thesis students in their final semester to synthesize the relationships between lifespan and digital communication. Students will develop and complete a research paper or a digital communication project that they will present to a COMM graduate committee.
Prerequisites: COMM 601, COMM 602, COMM 603, COMM 604, and COMM 605; permission of graduate program director

COMM 689 Thesis Preparation (3 Credit Hours)
This course is intended for students in the Master of Arts in Lifespan and Digital Communication program who choose the thesis option. Course topics include: developing a thesis proposal, thesis rules and regulations, the thesis committee, presenting and defending a thesis proposal, and acquiring the essential tools needed to write and successfully defend an MA thesis.
Prerequisites: COMM 601, COMM 602, COMM 603, COMM 604, and COMM 605

COMM 695 Topics in Communication (1-3 Credit Hours)
The study of selected topics designed to permit qualified students to work on subjects of mutual interest in a seminar format which, due to their specialized nature, may not be offered regularly.

COMM 697 Tutorial in Special Topics in Communication (3 Credit Hours)
Independent reading and study of a topic under the direction of an instructor. Conferences and papers as appropriate.
Prerequisites: Permission of the department chair

COMM 698 Thesis Research (3 Credit Hours)
This course is intended for students in the Master of Arts in Lifespan and Digital Communication program who choose the thesis option. During the time a student is working on the MA thesis they must be enrolled in COMM 698, followed by COMM 699.
Pre- or corequisite: COMM 689

COMM 699 Thesis (3 Credit Hours)
This course is intended for students in the Master of Arts in Lifespan and Digital Communication program who choose the thesis option. During the time a student is working on the MA thesis they must be enrolled in COMM 698 followed by COMM 699.

COMM 725 Interpersonal Health Communication (3 Credit Hours)
This course is designed to provide an overview of contemporary scholarship on phenomena within the scope of interpersonal health communication. Students will become familiar with fundamental communication processes that are involved in managing physical and mental health. Additionally, they will develop an awareness of how communication among friends, family members, professionals, and others influences people's well-being, and how, in turn, health and illness shape communication and relationship dynamics. Topics to be covered include patient identity and self-disclosure, social support, patient-provider communication, end-of-life care, and health education. Consistent with the goals of graduate education, students are expected to engage with the course content, exercise critical thinking skills, develop advanced reading and writing competencies, and develop a sense of practical applications of theory and research.

COMM 795 Selected Topics in Communication Studies (1-3 Credit Hours)
The advanced study of selected topics in communication studies will be covered in such a way as to permit small groups of qualified students to study subjects of mutual interest which, due to their specialized nature, may not be offered regularly.
Prerequisites: Permission of the instructor

COMM 797 Independent Research in Communication Studies (1-3 Credit Hours)
Independent research directed by professors/faculty members examining communication topics.
Prerequisites: Permission of the instructor
COMM 895 Selected Topics in Communication Studies (1-3 Credit Hours)
The advanced study of selected topics in communication studies are covered in such a way as to permit small groups of qualified students to study subjects of mutual interest which, due to their specialized nature, may not be offered regularly.
Prerequisites: Permission of the instructor

COMM 897 Independent Research in Communication Studies (1-3 Credit Hours)
Independent research directed by professors/faculty members examining communication topics.
Prerequisites: Permission of the instructor

COMM 998 Master's Graduate Credit (1 Credit Hour)
This course is a pass/fail course for master's students in their final semester. It may be taken to fulfill the registration requirement necessary for graduation. All master's students are required to be registered for at least one graduate credit hour in the semester of their graduation.
