

Certificate

Maritime, Ports, and Logistics Management Certificate

ManWo Ng, Certificate Coordinator

This certificate program is designed to help working maritime and port professionals develop and sharpen their maritime and port management skills. The program consists of four graduate courses that expose students to international shipping, port management, maritime law, port operations and planning and port economics.

Admission Requirements

Admission to the certificate program will require a bachelor's degree (or equivalent).

Curriculum Requirements

The certificate is awarded based upon the student's successful completion of 12 credit hours of graduate level courses in Ports and Maritime Management:

PORT 611	International Maritime Transport	3
PORT 612	Port Operations and Management	3
PORT 614	Port Planning and Economics	3
PORT 615	Maritime Security and Risk Analysis	3
Total Credit Hours		12
