

Certificate

Public Procurement and Contract Management Certificate

Vickie Carnegie, Interim Program Director

The Graduate Certificate in Public Procurement & Contract Management (PPCM) can provide excellent job opportunities and career growth. This online program prepares students with the skills and tools needed to improve the effectiveness and efficiency of procurement and contract management. The Certificate is designed for Public Administration students, Business Administration students, Engineering students, and students from many other disciplines. The PPCM program consists of four required courses and one elective (15 credits total).

Admission Requirements

Admission to the certificate program will require a bachelor's degree (or equivalent).
