Karen Sanzo, Graduate Program Director

The purpose of graduate programs in educational leadership is to prepare individuals to assume leadership responsibilities in education, training, and other human service organizations. Educational leadership offers the MSEd and the EdS degrees for candidates seeking PK-12 administration and supervision licensure. The programs prepare leaders who are visionary, who have depth of knowledge, and who can be effective and responsive organizational leaders. The programs develop graduates who can apply research-based knowledge, skills, and dispositions that translate into effective practice through innovative program instruction and authentic field-based experiences. The concentration area in educational administration and supervision is approved by the state of Virginia and is fully accredited by the Council for the Accreditation of Educator Preparation. Students complete 30 semester hours of coursework to lead to licensure as an administrator. The program is offered online only.

## Additional Requirements

### Continuance

Students must meet all department, college, and university policy requirements for continuance in their academic program. See department policy below.

## Continuance Policy and Procedures for all EFL Programs

The following policy has been established for continuance in *all* graduate programs within the EFL department.

At the end of each semester – fall, spring, and summer – the graduate program directors (GPD) will review student records. As per university policy, students who do not maintain an overall GPA of at least 3.0 in their EFL program will be placed on probation. Students placed on probation have one semester to bring their overall GPA back to a minimum of 3.0. A student may be placed on probation only one time in their EFL program and will not be eligible for a second probationary period. Should a student's GPA fall below 3.0 twice, he/she will be dismissed from the program.

Students who receive a grade of F in any EFL required or elective program course or who receive a final grade of lower than B- in more than one class in their program will be dismissed from their program by the Graduate Program Director and Department Chair. A failing grade in dissertation credits for one semester places the student in warning status and does not automatically dismiss the student from the program. However, two failing grades in dissertation credits will result in dismissal from the program. Students may follow the Grade Appeal Procedure in the ODU Graduate Catalog. In the event a grade is appealed such that the student comes into compliance with the EFL Continuance Policy, he/she will be reinstated.

In accord with University policy, ODU email is considered official communication.

1. the School Leaders Licensure Assessment (SLLA);
2. the required course of study;

3. three self assessments, one at the start of the program, one after the first internship, and one upon completion of all coursework;
4. Two internships of 320 hours and 5 placements per VDOE administrative licensure regulations; and,
