Master of Science in Education
Secondary Education with a Concentration in Instructional Design and Technology (MSEd)

John Baaki, Graduate Program Director

The Master of Science in Education – Secondary - instructional design and technology concentration is designed to meet the needs of professionals interested or involved in the design, development, and delivery of instruction. The courses are appropriate for a variety of venues, including preK-12, higher education, military, and business. In this specialization, student’s select 24 to 30 credits in instructional design and technology plus the problems paper or seminar research option. Working with an advisor, students select courses that complement their backgrounds and professional goals. The MSEd - Secondary -- instructional design and technology concentration is offered on-campus and online.

Admission

Students must:
1. hold a bachelor’s degree from a regionally accredited college/university;
2. have a cumulative undergraduate grade point average of 2.80;
3. take and receive satisfactory scores on either the Graduate Record Examination (score of 290 combined on verbal and quantitative with a minimum of 140 verbal for regular admission) or Miller Analogies Test (minimum score of 45 or 399 for regular admission); and
4. have an interview with the graduate program director or his/her designee.

Performance in classes taken as a non-degree graduate student will not be taken into consideration in the admission process.

Curriculum Requirements

Area I: Emphasis Courses

Introductory Courses
- IDT 617 Foundations of Instructional Technology (*) 3
- IDT 749 Instructional Systems Design 3

Elective Courses *
Complete elective courses 18-24

Theory:
Select at least one of the following:
- IDT 746 Foundations of Distance Education
- IDT 760 Cognition and Instructional Design
- IDT 763 Instructional Design Theory
- IDT 764 Instructional Message Design

Design:
- IDT 725 Human Performance Assessment
- IDT 761 Applied Instructional Design Tools
- IDT 773 Advanced Instructional Design Techniques

Technology:
Select at least one of the following:
- IDT 735 Noninstructional Interventions
- IDT 751 Computer-Based Multi-Media Design
- IDT 752 Diffusion and Adoption of Instructional Technology Innovations
- IDT 755 Theory and Design of Instructional Simulation

Area II: Research Core Courses Required

Problem Paper Option
- FOUN 612 Applied Research Methods in Education 3
- SEPS 636 Problems in Occupational and Technical Studies 3

Total Credit Hours 30-36

Additional Requirements

Continuance

Students must:
1. maintain a grade point average of 3.00;
2. maintain a grade point average of 3.00 in the major.

All ID&T students are expected to have regular and reliable access to a multimedia computer (headphones, microphone, and web cam) and a high speed internet connection.

Exit

Students must:
1. have a 3.00 grade point average;
2. pass a written comprehensive examination;
3. have an exit interview;
4. have completed all course requirements; and
5. submit an application for graduation.

Program Requirements

All courses in the core and elective blocks are offered via synchronous and asynchronous format.
