

# Medical and Health Professions Education Programs

## MHPE Program Overview

The Medical and Health Professions Education (MHPE) Program offers the Master's of Medical and Health Professions Education (MMHPE), Doctor of Philosophy (PhD), and the Doctor of Education (EdD) degrees along with graduate certificates in Scholarship, Teaching, and Simulation Program Management.

## Mission

The Medical & Health Professions Education program is dedicated to building an interprofessional learning community of scholars committed to advancing ethical, community-oriented education, research, and service in the health professions. Students who enroll in MHPE programs will engage in transformational learning that connects their experiences, coursework, and knowledge to develop a more sophisticated understanding of the world that informs their teaching, research, and professional practice.
