

Bachelor of Arts

Art with a Major in Visual Studies (BA)

The BA degree with a major in Visual Studies cultivates the exploration of human experience through the visual arts by encouraging students to engage with the histories of art making, materials and vehicles of expression, design principles, and best practices in business administration and communication. The BA in Visual Studies major offers students a broad, yet comprehensive education in art practice, history, theory, administration, and business. This degree teaches students a broad collection of skills applicable to diverse fields or professions in the arts. Although the curriculum for the Visual Studies major is centered on the arts, these are transferrable to any profession. The degree supports the College of Art & Letters mission to: 1) introduce students to the full range of human experience through the study of cultural heritage, forms of artistic expression, and methods of critical inquiry; and 2) prepare students for rigorous, intellectual, and creative inquiry leading to their full development as human beings and to their responsible engagement with society.

Linked Bachelor's in Art, Visual Studies and Fine Arts and MA in Humanities

The linked bachelor's programs in art history, visual studies and fine arts and the MA in humanities make it possible for exceptional students to count up to 12 hours of graduate courses toward both an undergraduate and graduate degree. Students must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Please refer to the Humanities (<http://catalog.odu.edu/undergraduate/arts-letters/humanities/>) section of this Catalog for additional information on the linked programs.

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (<http://catalog.odu.edu/graduate/stromecollegeofbusiness/>) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (<http://catalog.odu.edu/graduate/business/public-service/>). For additional information, please contact the School of Public Service in the Strome College of Business.
