Bachelor of Fine Arts

Fine Arts with a Major in PreK-12 Art Education (BFA)

Natalia Pilato
Art Education Program Director

The Art Education program offers instruction in both the practical and theoretical aspects of teaching art from kindergarten through high school in a variety of settings. The program curriculum aims to cultivate teaching artists with a strong foundation in studio arts and art education best practice methods. More than 100 hours of observation, practice, and hands-on learning experiences in schools, museums, and cultural institutions provide students with the necessary skills to be successful teaching artists, in addition to their teaching internship. Students write lessons from a variety of entry points including big ideas, historical and contemporary artists, social justice issues, and art processes. Students will focus on the dispositions of visual art educators as defined by NAEA (National Art Education Association), the Virginia Department of Education and OD. Additional focus will be on the development of culturally relevant curriculum and pedagogy. Students also engage in research by exploring past and current issues in Art Education and how social, cultural, and political perspectives influence Art Educational practice and policy.

The Art Education program focuses on studio arts, art history, and professional education course work. All students complete 33 credit hours in studio including 12 upper-level credits in one of the fine arts majors; Painting and Drawing, 3D Media and Material Studies, or Print and Photo. This offers students a diverse and substantive exposure to studio practice along with a focus in the discipline of their choice. Students also complete 12 credit hours in Art History, along with 15 core credit hours in Art Education.

Students wishing to obtain a BFA in art education can choose between two majors:

PreK-12 Art Education

PreK-12 Art Education includes 9 credits in Special Education and Teaching and Learning through the Darden College of Education and Professional Studies as well as a 12-credit internship in elementary and secondary art classrooms in the public schools. Students in this major must complete required tests and clearances for K-12 teaching in the public schools and must be admitted into the teacher education program through the Office of Clinical Experiences. This major is ideal for students seeking careers as art educators in the public schools for grades K-12.

Art Education for Museums and Cultural Institutions

Art Education for Museums and Cultural Institutions includes a minor in Art History (9 additional credits in upper-level coursework), 3 credits in special education, 3 credits in art therapy and a 6-9 credit internship with a museum or cultural Institution. This major prepares students seeking a career as a museum educator or as a community arts program director/education coordinator.

Old Dominion University’s Art Education program is accredited by the National Council for Accreditation of Educator Preparation (CAEP) and the Virginia Department of Education.

**Linked Bachelor's in Art, Visual Studies and Fine Arts and MA in Humanities**

The linked bachelor's programs in art history, visual studies and fine arts and the MA in humanities make it possible for exceptional students to count up to 12 hours of graduate courses toward both an undergraduate and graduate degree. Students must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Please refer to the Humanities section of this Catalog for additional information on the linked programs.

**BA or BS to MBA (Master of Business Administration) Linked Program**

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (http://catalog.odu.edu/graduate/stromecollegeofbusiness/) to develop an individualized plan of study based on the required coursework.

**BA or BS to MPA (Master of Public Administration) Linked Program**

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (http://catalog.odu.edu/graduate/business/public-service/). For additional information, please contact the School of Public Service in the Strome College of Business.
