Senior Experience course options will vary by major but include options for an internship, a study abroad/away experience, a service-learning course, a senior capstone, or more specialized experiences within students’ chosen majors. Please see descriptions included under each major for more options. Students become eligible for Senior Experience options once they reach 90 credits or with permission of the Senior Experience Coordinator. Students will be directed by their advisor to opportunities that are suited for their area of study and as other opportunities become available. For more information please reach out to the Senior Experience Coordinator, Alison Lietzenmayer.

ALL students majoring in programs in Communication, Dance, and Theatre must complete a minimum of one three-credit Identity & Inclusion course as part of their curriculum studies to graduate with a degree from the department. Linked BA/BS in Communication and MA in Lifespan and Digital Communication

The linked bachelor's/master's degree in communication/lifespan and digital communication is administered by the Communication and Theatre Arts Department. The purpose of this option is to allow exceptional majors in communication to count up to 12 hours of 500-level graduate coursework towards both the BA or BS in communication and, if accepted, the MA in lifespan and digital communication. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credits for the undergraduate degree and 30 discrete credits for the graduate degree). For more information, please contact Dr. Gary Beck.

Linked BA/BS in Communication and MA in Humanities

Please refer to the Humanities section of this Catalog for information on the linked program leading to a BA or BS in communication and an MA in humanities.

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (http://catalog.odu.edu/graduate/stromecollegeofbusiness/) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student’s senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (http://catalog.odu.edu/graduate/business/public-service/). For additional information, please contact the School of Public Service in the Strome College of Business.

Please consult list of Senior Experience options relevant to each major.
