Additional Requirements and Information

Departmental Requirements for Bachelor of Arts in Theatre and Dance

ODU offers a Bachelor of Arts (B.A.) in Theatre and Dance with seven majors: Cinema Production, Dance, Dance Education, Design/Technology, Performance, Theatre, and Theatre Education. All students pursuing the BA in Theatre and Dance must fulfill the core requirements and the requirements of a particular major.

ALL students majoring in programs in Cinema Production, Dance, and Theatre are required to complete a **Senior Experience** as part of their degree. Senior Experiences are designed as stepping stones for students to apply knowledge and skills accrued throughout their coursework toward preparing for future careers. Senior Experience course options will vary by major but include options for an internship, a study abroad/away experience, a service-learning course, a senior capstone, or more specialized experiences within students' chosen majors. Please see descriptions included under each major for more options. Students become eligible for Senior Experience options once they reach 90 credits or with permission of the Senior Experience Coordinator. Students will be directed by their advisor to opportunities that are suited for the area of study and as other opportunities become available. For more information please reach out to the Senior Experience Coordinator, Alison Lietzenmayer.

Admission

All students must apply for and be admitted into the approved dance education program. Students must meet the required criteria for admission by earning the minimum required grade point averages (GPA).

Prescribed Virginia Board of Education Assessment for Admission to an Approved Teacher Education Program

Old Dominion University students seeking admission to an approved teacher education program must satisfy the Virginia Board of Education required assessment for admission into an approved teacher education program.

For the most current information on the prescribed Virginia Board of Education admission assessment, visit the Virginia Department of Education at <https://www.doe.virginia.gov/>.

Required grade point averages (GPA)

- A cumulative GPA of 2.75 is required.
- A major/content GPA of 2.75 is required – all Dance courses must be passed with a grade of C or higher.
- A professional education GPA of 2.75 is required – all professional education courses must be passed with a grade of C- or higher.

Although students may enroll in a limited number of education courses, students must be admitted into the approved PreK-12 dance education program prior to enrolling in any instructional strategies practicum education course. Students must also meet with an education advisor in the Office of Clinical Experiences.

Continuance

Students must maintain a cumulative GPA of 2.75, a major/content GPA of 2.75 and a professional education GPA of 2.75. Dance courses must be passed with a grade of C or higher. The professional education core must be completed with a grade of C- or higher for continuance. A professional education GPA of 2.75 is required for continuance. There is not currently a Praxis Subject Assessment (formerly Praxis II) for Dance content knowledge. If a Dance Praxis Subject Assessment is established prior to the student applying for the teaching license, it will be required. All assessments must be passed prior to the start of the Teacher Candidate Internship Orientation session.

Background Clearance Requirement

Old Dominion University requires a background clearance check of candidates interested in many of the professional education programs. Professional education programs have several field experiences that are required for continuance and graduation from the program. The background clearance must be successfully completed prior to a field experience placement. Candidates will be provided a field experience placement when the background check process is completed with resolution of any issues. The process to complete the ODU clearance background check is located at: <http://www.odu.edu/success/academic/teacher-education/placement/background-checks> (<http://www.odu.edu/success/academic/teacher-education/placement/background-checks/>). The ODU clearance process includes: an FBI fingerprint, a child protective service/social service review, and a Virginia State Police sex offender registry review. Candidates interested in the professional education programs are advised to complete this clearance process immediately upon entry into the program since the clearance process takes a minimum of eight weeks to complete.

Virginia Board of Education Prescribed Assessments for Licensure

To review more information on the Virginia Board of Education prescribed assessments, visit the Office of Clinical Experiences website, www.odu.edu/occe (<http://www.odu.edu/occe/>).

PreK-12 Dance Education Post-Baccalaureate Endorsement Program

Candidates who have already earned an undergraduate degree in dance may seek a post-baccalaureate endorsement. Information on applying for this endorsement can be obtained from the Darden College of Education and Professional Studies or the PreK-12 dance education program advisor.

Students must have completed or must complete equivalencies for all course work required for the dance major, as well as complete all professional education core classes required for undergraduate PreK-12 dance education majors. The dance advisor will determine which transferable courses will meet the cognate program requirements and which dance and professional courses must be completed for the endorsement. All content area courses must be completed with a grade of C or better, and all professional education courses must be completed with a grade of C- or better. A minimum cumulative grade point average of 2.75 overall, in the major and in the professional education core is required for continuance and endorsement. Although students may enroll in a limited number of education courses, passing the Virginia Board of Education prescribed assessment for admission must be completed and on file with the Office of Clinical Experiences prior to enrollment in any education practicum course or courses in developing instructional strategies. It is recommended that students take the Virginia Board of Education prescribed assessment for admission prior to, or during, enrollment in TLED 301.

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (<http://catalog.odu.edu/graduate/stromecollegeofbusiness/>) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (<http://catalog.odu.edu/graduate/business/public-service/>). For additional information, please contact the School of Public Service in the Strome College of Business.
