History Minor

The history minor consists of 15 hours, 3 hour from a 100-level history course and 12 hours from four 300/400-level courses. Only HIST courses fulfill these course requirements. At least six hours of upper-level courses must be taken through courses offered by Old Dominion University.

For completion of a minor a student must have a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of lower-level courses and prerequisite courses.
