Bachelor of Arts
History with a Major in Secondary History/Social Sciences Education (6-12) (BA)

The Colleges of Arts and Letters and the Darden College of Education and Professional Studies cooperate in providing a Bachelor of Arts degree that licenses recipients to teach on the secondary level in the Commonwealth of Virginia. Most other states honor this license. Students must achieve passing scores on the Virginia Board of Education prescribed assessments as a prerequisite for entry into the professional education core. They must also pass the Praxis Subject Assessment, social studies content knowledge (formerly Praxis II) in order to be admitted to TLED 485 (Teacher Candidate Internship) and to be licensed. For information on these standardized tests, students should consult with their education advisor. To gain admission to this program, students must have a cumulative grade point average of 2.75 and maintain this average to graduate. Students must also have and maintain a major/content grade point average of 2.75 with grades of C- or higher in all history/social sciences courses and a professional education grade point average of 2.75 with all grades C- or higher in all education courses. The history/social sciences content consists of history, political science, geography, and economics. An optional specialization may be completed using students’ History electives; these specializations include Race, Gender, and Religion; War, Revolution, and Society; Mobilities and Migrations; History of Science and Technology; and Maritime History.

Entering students must declare their intention to take their degree in History with a major in secondary history/social sciences education (6-12) in the History Department, whereupon they will be assigned an advisor. Another advisor will be assigned in the Darden College of Education and Professional Studies. It is the responsibility of the student to see both advisors regularly.

Professional education programs have several field experiences that are required for continuance and graduation from the program. The background clearance must be successfully completed prior to a field experience placement. Candidates will be provided a field experience placement when the background check process is completed with resolution of any issues. The process to complete the ODU clearance background check is located at: http://www.odu.edu/success/academic/teacher-education/placement/background-checks (http://www.odu.edu/success/academic/teacher-education/placement/background-checks/). The ODU clearance process includes: an FBI fingerprint, a child protective service/social service review, and a Virginia State Police sex offender registry review. Candidates interested in the professional education programs are advised to complete this clearance process immediately upon entry into the program since the clearance process takes a minimum of eight weeks to complete.

Virginia Board of Education Prescribed Assessments for Licensure

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

### Linked Bachelor of Arts and Master of Arts–History

Students with exceptional academic skills can enter this program and count up to 12 credit hours of graduate history courses toward both an undergraduate and graduate degree. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).
Admission Requirements

To be admitted to the program, students must be a declared major in history, have completed a minimum of 60 undergraduate credit hours, including at least nine hours in history courses at the 300-level or above, and have a GPA of 3.30 or better overall and in history.

Admission Procedures

Students who meet the admission requirements should consult with the graduate program director to discuss their eligibility and to plan graduate courses to be taken as an undergraduate. During their senior year, students must file an application to the program in history with the Office of Admissions. This application includes an Old Dominion University graduate application, a 500-word personal statement, at least two letters of recommendation, and a writing sample of 10+ pages using primary and secondary sources. Graduate admission deadlines apply.

Once students have been awarded their BA degree and fulfilled all regular admission requirements for the MA in history, they will be officially admitted into the MA program.

Requirements for the Linked BA/MA Program

Students in the program will fulfill all regular admission and curricular requirements for both the BA and MA in history, with the following exceptions:

1. Upon completing 90 hours of undergraduate work and attaining senior status, admitted students may take up to 12 hours of graduate courses as an undergraduate, provided that those courses fulfill curricular requirements for both the BA and MA degrees in history.

2. Students will need to complete the following major requirements for the BA:

   HIST 100-level elective: * 3
   HIST 201 Introduction to Historical Methods ** 3
   HIST 402W Senior Seminar in History 3
   HIST 300 and 400-level classes *** 21
   Field One: United States History
   Field Two: European History
   Field Three: Area Studies (Asia, Latin America, Middle East, Russia, Africa)
   Field Four: Comparative History

   Total Credit Hours 30

   * Only HIST courses fulfill history course requirements for the major and the Interpreting the Past requirement for the General Education requirement.

   ** Meets information literacy and research requirement.

   *** A minimum of one class from three of the four fields listed, one of which must be 400-level

Up to 12 credits of graduate-level course work taken as an undergraduate during the senior year can substitute for 300- and 400-level requirements above and will be counted toward the BA degree in history. The following guidelines apply:

A. Any 500-level course that is cross listed with a 400-level course may be substituted for the 400-level course; however, the student cannot take a 500-level course which has already been taken at the 400-level. Only nine credits of 500-level course work will count toward the MA degree.

B. The following courses can be taken to fulfill the 300-400 level American elective requirement:

   HIST 602 Readings in Early American History 3
   HIST 607 A People’s Contest: Civil War and Reconstruction 3

   HIST 609 Melting Pot? Readings in Immigration History 3
   HIST 610 Edible History: Food and Drink in the U.S. and Global History 3
   HIST 611 The Military in America 3
   HIST 617 The Long Civil Rights Movement 3
   HIST 619 United States Labor and Working Class History 3
   HIST 622 The Atlantic Slave Trade 3
   HIST 621 The Atlantic World and Early America 3
   HIST 683 History of the Global 1960s 3

   HIST 662 North Atlantic Resources 3
   HIST 670 Fin-De-Siecle Europe 3
   HIST 674 Holocaust History and Memory 3

   D. The following courses can be taken to fulfill the 300-400 level elective requirement in African, Asian, Latin American, Middle Eastern, or Russian history:

   HIST 628 History of the U.S. Mexico Borderlands 3
   HIST 640 Studies in East Asian History 3

BA or BS to MBA (Master of Business Administration) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified non-business undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the early-entry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (http://catalog.odu.edu/graduate/stromecollegeofbusiness/) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public Administration) Linked Program

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master’s degree in public administration while taking credits in the MPA program as
an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (http://catalog.odu.edu/graduate/business/public-service/). For additional information, please contact the School of Public Service in the Strome College of Business.
