Additional Requirements and Information

Advanced Placement

Since the study of philosophy and religion involves intensive work with sophisticated texts and extensive analytical and critical writing, credit by examination is not usually appropriate. Students who believe that there are reasons why they should be considered for exceptions to this policy should present their cases in writing to the chair of the department, who, when appropriate, will refer them to the departmental committee. Generally, such things as "reading on one's own" are not considered an adequate basis for such a petition. Students who have earned credit for one of the introductory philosophy and ethics way of knowing courses (e.g., PHIL 110P, PHIL 120P, PHIL 126P, PHIL 150P, REL 150P, PHIL 155E, REL 155E, PHIL 227E, PHIL 228E, PHIL 230E, PHIL 235E, REL 235E, or PHIL 250E) may not receive credit by examination for another of them.

Double Majoring in Philosophy and Political Science

The departments of Political Science and Geography and Philosophy and Religious Studies have established an arrangement that makes it possible to complete a double major in as few as 60 hours, only 9 credits more than the 51 required to major in Political Science and minor in Philosophy.

Political Science majors double majoring in Philosophy will be allowed to count any two of the following Philosophy courses as Political Science electives:

PHIL 365	Race & Power	3
PHIL 410	Social and Political Philosophy	3
PHIL 411	Post-Modernism and Post-Structuralism	3
PHIL 412	Philosophy of Law	3
PHIL 430	Marx and Hegel	3

These courses will not count toward the requirement to take a specific number of hours in the American politics/public law and international relations/comparative politics areas. Philosophy "topics" courses and PHIL 442E may also be counted as Political Science electives when the topic covered is appropriate; prior approval is required from the chief departmental advisor of Political Science and Geography.

Philosophy majors double majoring in political science may count any two of the following Political Science courses toward their philosophy major:

POLS 309	Race, Culture and Public Policy	3
POLS 310	Political Theory	3
POLS 312	American Political Thought	3
POLS 403	First Amendment Freedoms	3
POLS 408	American Constitutional Law: Individual Rights	3

POLS 409	American Constitutional Law: Powers of Government	3
POLS 419	Jurisprudence: History of Legal Theory	3

These courses will count as Political-Legal electives; students will still be required to take 6 hours of Political-Legal core courses. Students doing the linked BA/MA in Philosophy and Humanities can count only one 500level Political Science course as a "bridge" course. Certain Political Science "topics" courses may be counted as Philosophy electives with prior approval from the Philosophy and Religious Studies Department.

Students interested in double majoring in philosophy and a subject other than political science should consult the chief departmental advisor for Philosophy and Religious Studies; there may be some opportunity for double counting at least one class.

Double Majoring in Philosophy and Women's Studies

The Departments of Women's Studies and Philosophy and Religious Studies have established an arrangement that makes it possible to complete a double major in as few as 57 hours, only 9 credits more than the 48 hours needed for a major in Women's Studies and minor in Philosophy. Any four of the following courses, totaling no more than 12 credit hours, may count toward both majors. Courses "double-counted" from one major will be considered electives in the other major.

PHIL 365	Race & Power	3
PHIL 402	Gender and Philosophy	3
REL 403	Gender and Sexuality in Islam	3
WMST 302W	Dimensions of Diversity: Intersectionality Among Women	3
WMST 303	Queer Studies	3
WMST 460W	Feminist and Queer Theory	3

With prior approval other courses from PHIL, REL, or WMST, such as topics courses, may be counted toward both majors.

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Linked BA in Philosophy and MA in **Humanities**

The linked BA in philosophy and MA in Humanities makes it possible for exceptional philosophy majors to count up to 12 hours of graduate courses toward both an undergraduate and graduate degree. Students must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). For more information, consult the Humanities section of this catalog (http:// catalog.odu.edu/undergraduate/collegeofartsletters/humanities/).

BA or **BS** to **MBA** (Master of Business **Administration**) Linked Program

The linked BA/MBA or BS/MBA program is an early entry to the MBA program of study. The early-entry program is designed for well qualified non-business undergraduate ODU students to start their MBA program prior to completing their undergraduate degree. Well qualified nonbusiness undergraduate students may take MBA-level courses as early as three semesters prior to graduation and count up to 12 graduate credits toward their undergraduate degree. Students participating in the earlyentry program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree). Early-entry program students should carefully consider their undergraduate degree program requirements when planning their course of study. Students in the early-entry program work in close consultation with the MBA Program Office and should refer to information in the Strome College of Business section in the graduate catalog (http://catalog.odu.edu/ graduate/stromecollegeofbusiness/) to develop an individualized plan of study based on the required coursework.

BA or BS to MPA (Master of Public **Administration) Linked Program**

The linked BA/MPA or BS/MPA program provides qualified Old Dominion University undergraduate students with the opportunity to earn a master's degree in public administration while taking credits in the MPA program as an undergraduate student. The program is designed for highly motivated students with the desire to immediately continue their education after the bachelor's degree. The program is especially relevant to individuals seeking to work (or currently working) in the public or non-profit sectors, but is suitable for students from any undergraduate major. Graduate courses may be taken during the fall and spring semester of the student's senior undergraduate year. Up to 12 graduate credits can count toward both the undergraduate and graduate degree and can meet upper-level General Education requirements. After receiving the undergraduate degree, a student will continue with the MPA program, taking MPA courses until completing the required 39 credit hours. Students in the linked program must earn a minimum of 150 credit hours (120 discrete credit hours for the undergraduate degree and 30 discrete credit hours for the graduate degree).

Requirements for admission to the graduate program can be found in the School of Public Service section of the Graduate Catalog (http:// catalog.odu.edu/graduate/business/public-service/). For additional information, please contact the School of Public Service in the Strome College of Business.
