

Minor

French Minor

Students must complete 15 hours of 300/400-level courses in French and earn a cumulative grade point average of 2.0 in the upper-level courses specified as a requirement for the minor. Lower-level courses and prerequisite courses do not count toward the grade point average required for the minor. Only one FR course taught in English may be applied toward the minor. At least six hours of upper-level courses must be taken through courses offered by Old Dominion University. To declare a minor the student must have completed ENGL 110C and the 202 course in the language, or have placed out of 202.
